INNOVATING THE WHEATBELT

# COMMUNITY NEWS & INFORMATION

JULY 2022

## From the CEO's Desk

With the crisp chilly winter mornings and stunning afternoon sunsets, I am certainly enjoying my first Wheatbelt winter in the wonderful town of Merredin. It certainly is an exciting time for our country town, with construction of the first stage of the CBD Project – Pioneer Park commencing last month.

Inside this issue of our Shire Newsletter you can read about what's next for Pioneer Park, the Town Square and Apex Park, and estimated dates of completion for stage 1. I encourage community members to check in regularly on our website for live updates via the following link: [bit.ly/CBDProjectUpdates](https://bit.ly/CBDProjectUpdates)

This is also an exciting time for the Shire of Merredin with a number of new positions being created to align with the Shires strategic direction. Meet all the new faces making great contributions to our local community on page 4 and 5.

If you would like to keep up to date with all of the latest news, sign up to receive a hard copy of our newsletter or to be added to our e-newsletter distribution list, please email Rose via [media@merredin.wa.gov.au](mailto:media@merredin.wa.gov.au).

I look forward to catching up with you all very soon while I'm out and about our beautiful town.

**Lisa Clack,**  
Chief Executive Officer

## July Ordinary Council Meeting

The next Ordinary Council Meeting is scheduled to be held on Tuesday, 26 July at 4:00pm in the Council Chambers on the Cnr of King and Barrack Streets. Members of the public are welcome to attend the meeting. The Agenda will be available to view on the Shire of Merredin website. Public questions can be submitted by 2.00pm on the day of the council meeting by completing the form here linked below. [www.merredin.wa.gov.au/council-meetings/](http://www.merredin.wa.gov.au/council-meetings/)

## Eric Hind Scholarship Awarded

Merredin Shire President Mark McKenzie was proud to present this year's winners of the annual Eric Hind scholarship to four lucky music students.

This annual music scholarship is awarded by the Shire of Merredin to young, talented, and aspiring musicians in the Shire. This scholarship is named in honour of Mr Eric Hind to recognise and acknowledge his contribution to the Shire as a Councillor and his accomplishments as a violinist.

Earlier this year, all applicants for the scholarship were interviewed and performed a piece of music for our panel members, Mr Roy Butler, Mr Brian Goddard and Cr Ross Billing. We are pleased to announce that this year the panel concluded that each of the four applicants were deserving. This means the scholarship prize fund was increased and split four ways into part-scholarships.

On behalf of the Shire of Merredin, we would like to congratulate our four winners, Mana-Rae King, (pictured) Sean Martin, Reuben Davies and Connor Davies. We hope this scholarship will help you pursue your musical interest and live out your passion for music.

### Burning Periods

The Restricted Burning Period will commence on **Friday, 16 September 2022**, and will continue until **Monday, 31 October 2022**, and from **Saturday, 18 February 2023** until **Thursday, 16 March 2023** (Permit Required).

The **Prohibited Burning Period** will commence on **Tuesday, 1 November 2022**, and will continue until **Friday, 17 February 2023** (NO burning).

## Corella Management Program

A management program to trap, and remove Butler’s Corella’s, a declared pest in the wheatbelt, will commence in Merredin this month.

The current large local population is causing significant environmental destruction, long-term damage to important habitats for other species such as the endangered black cockatoo, and significant damage to our playing surfaces, native vegetation and infrastructure.

The Shire of Merredin’s management will include a multi-pronged humane approach, as part of a regional natural resource management program.

## CBD Project Update — Pioneer Park

Construction of Stage 1 of the CBD Project Pioneer Park kicked off in April, with the creation of a new carpark. With the kerbing already in place, asphaltting this month will see completion of the car park swinging off Great Eastern Highway between the Military and Railway museums.

This aspect of the project is expected to be a great opportunity to show off our outstanding local Railway and Military museums with better and safer access.

Rob Endersbee, the enthusiastic owner and curator of the Military Museum, says he is pleased to see the progress on the carpark and upgrade of Pioneer Park. With over 200 visitors a month, the new carpark will make it much safer for visitors to visit the museum and not have to reverse out on to a busy highway.

The Railway Museum also tells an important story of local history and buildings. Its Chairperson Jane Patroni says it’s exciting to see the development moving ahead and that they are awaiting the completion of Pioneer park with interest.

Other aspects of Pioneer Park that will be upgraded include new lighting, recreation spaces and landscaping. The current drainage will also be upgraded to a ‘living stream’ allowing grass to be installed over the top. The bronze ‘Horse at Work’ sculpture pictured below will also be returned to the park in a new position once construction is completed, which is projected to be October 2022.

## CBD Project Update — Town Square & Apex Park

The detailed designs for both the Town Square and Apex Park are now in progress after a Tender was awarded in April. These designs will incorporate feedback from the community, and will also include a number of exciting upgrades including more play equipment!

Merredin Town Square will be transformed into a large outdoor event space and a space for the community to connect and tourists to explore. Apex Park will become a multi-generational play and recreation area for families and young people.

The construction tenders are expected to be advertised in November and awarded in January 2023. This will allow for construction of both Apex Park and Town Square to commence simultaneously in February 2023.

Join us in welcoming our new Manager Community and Culture, Leanne Bryant! Leanne has previously worked at the Shire in the Community Development role. As part of her new role, Leanne will be overseeing the running of the Cummins Theatre and engaging with our local community.

*"I am thrilled to be back in Merredin and looking forward to working with the community, community organisations and business's on future community events, workshops and shows."*

Please welcome a familiar face to our Shire team - Dave Hayes Thompson. Dave has been a local in town since 2005, and has joined us as the new Building and Maintenance Officer.

*"I am enjoying working as part of the team here at the Merredin Shire as they have all been very helpful and welcoming. I look forward to maintaining all the shire properties."*

Two more new faces at the Shire Administration Office include new Media and Communications Officer, Rose Crane, and Student Engineer, Lachlan Anderson.

Rose has joined us after completing a 4 year stint working as the Media Adviser to the Federal Member for Durack, Melissa Price.

*"I was so pleased after the May '22 election to move 'across the road' and take up the Media and Communications officers role while Kohdee is on maternity leave."*

*I moved the Wheatbelt many years ago after a lovely Tammin farmer whisked me away from my ABC TV and Radio News career. I now worry a lot about when it might rain! I have been very fortunate to have had several interesting community and career roles since then, including presenting the Triple M Rural Focus program from the Merredin studios and I now feel so privileged to be welcomed to this talented Shire team."*

Meanwhile, Lachlan joined us in April and is currently completing his studies at Murdoch University where he is currently studying Renewable Energy Engineering and Electrical Power Engineering.

*"I am 'looking forward to making a difference in this beautiful community and gaining all the experience there is to offer."*

*Big thanks to the team for the warm welcome and continued help in finding my feet in this new role."*

In May we welcomed Chloe Townsend to the Community Services Team as the Acting Deputy CEO / Executive Manager Community Services.

*“Everyone has been really welcoming and I’m looking forward to continuing to meet people, if you see my around town please say hello. I’m enjoying exploring the region on weekends and I am looking forward to working with Council and the community on a number of projects.”*

We have welcomed another new face to Cummins Theatre, Michelle Endersbee! Michelle has worked in theatre and events for the last decade, with a number of companies including FRINGE WORLD, The Blue Room Theatre, Proximity Festival, Whisky + Boots and Fremantle Festivals. Creative director of Lady Great Theatre Co, Michelle has a wealth of experience in all areas of theatre, as well as experience in tour management, events, communications and festival programming.

## NAIDOC Week Celebrations '22

The Shire of Merredin was a proud supporter of this year’s NAIDOC week, painting the centre circle of the of the Merredin Rec Centre oval as the Aboriginal flag for the game between Burracoppin and Nukarni (pictured below).

There was also a free documentary ‘Off Country ‘ and a double bill performance at the Cummins Theatre , Stardust + the Mission and The Stories of Swing.

Premier's Reading Challenge

Reading can take you *anywhere*

Register for the Premier's Reading Challenge to start your magical journey.

## Premiers Reading Challenge

The team at the Merredin Library are again supporting the annual Premier's Reading Challenge. Students from Kindergarten to year 10 are invited to uncover great mysteries through the world of books!

The challenge is to log 12 or more book titles from May to 9 September and readers will go in the draw to win prizes.

The benefits of the challenge include:

- ▶ encourage students to enjoy reading and read more books;
- ▶ build self-esteem, pride, school unity and a sense of achievement among students
- ▶ increase the number of library books borrowed; and
- ▶ increase the involvement of parents in their child's reading

More information about the reading challenge is available via [premiersreadingchallenge.wa.edu.au](http://premiersreadingchallenge.wa.edu.au) or pop in and see the very helpful team at our local library.
