APRIL COUNCIL MEETING

The next Ordinary Council Meeting is scheduled to be held on Tuesday, 30 April at 4:00pm. This meeting will be held at the Shire Administration Building on the Cnr of King and Barrack Streets in the Council Chambers. Members of the public are welcome to attend. The Agenda will be available to view on the Shire of Merredin's website. Public questions can be submitted by 2.00pm on the day of the council meeting by completing the form here: www.merredin.wa.gov.au/council-meetings/

ENGINEERING

CBD Redevelopment Project Update

Town Centre: Demolition is currently underway at the Town Centre, with the existing toilet block and Visitor Centre building having now been removed. Site set-out has been completed to identify the layout of the new infrastructure. Over the coming weeks, ground works for services will be completed along with final site levelling.

Frequently Asked Questions: Town Centre

Q) Will the EV Highway chargers remain open during the works?

Yes, the chargers will be accessible to the community throughout the duration of the project.

Q) Will there be power provided within the Town Centre that is accessible during events?

There will be significant electrical and lighting upgrades as part of the works. This will include multiple power bollards which will cater for a range of events, from small market days to large scale outdoor concerts or events.

Q) Are public toilet facilities going to be available during the construction phase of the project?

There will be temporary toilet facilities available in the Barrack St western carpark, which is a short distance from the Town Centre and Apex Park. These facilities will include an all-access toilet and parenting facilities.

Q) Will the entire skatepark be replaced?

As the Shire has been able to secure the required grant funding through Lotterywest, the skate park will now undergo a full replacement. A brand new 600m² skatepark which will include a full bowl, half pipe, and a learn to skate area, amongst other exciting elements, is planned.

Q) What will happen to the time capsule during construction?

The Shire understands the important history of the time capsule and as such, it will be removed from the existing turf area in the town centre during construction to ensure it remains safe. The Shire will then display the time capsule at the Merredin Regional Library until it is due to be opened in 2029.

Apex Park: Demolition works and site set out identifying the layout of the new infrastructure has been completed. Final

leveling and ground works have progressed and are to be completed in the coming weeks.

The Shire has been working with the Contractor to finalise the design of the new slide tower which will be a key feature of the new park. The slide tower will have four different levels and be 9m high. It will be positioned on a raised mound for a total height of approximately 11m, offering a fantastic view of the surrounding town.

Over the coming months you will see footpaths, landscaping and the construction of the new skate park. This will be followed by installation of all the new play equipment.

The new skate park will include a bowl, halfpipe, and learn to skate elements among others.

Frequently Asked Questions: Apex Park

Q) Will the old equipment from Apex Park be relocated?

Unfortunately, the majority of play equipment that is being removed from Apex Park as part of the revitalisation works is in poor condition and no longer meets Australian Standards and therefore cannot be relocated to another area.

The Shire will continue to assess the condition of the remaining play equipment as it is removed, and should any be found to be in a suitable condition that meets the required standards, we will explore opportunities for relocation. Parts from the equipment that are in good condition may be used as replacement parts for some other existing equipment in other areas.

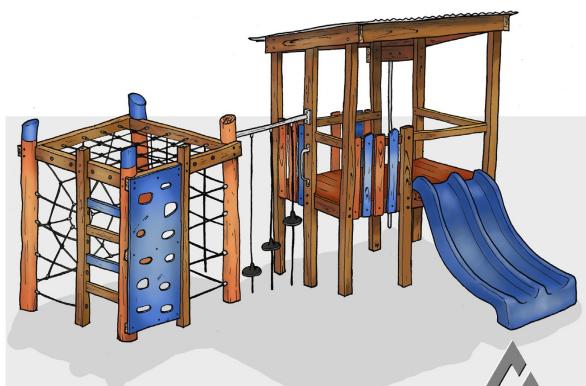

Q) Are the toilets part of the scope of works in Apex Park?

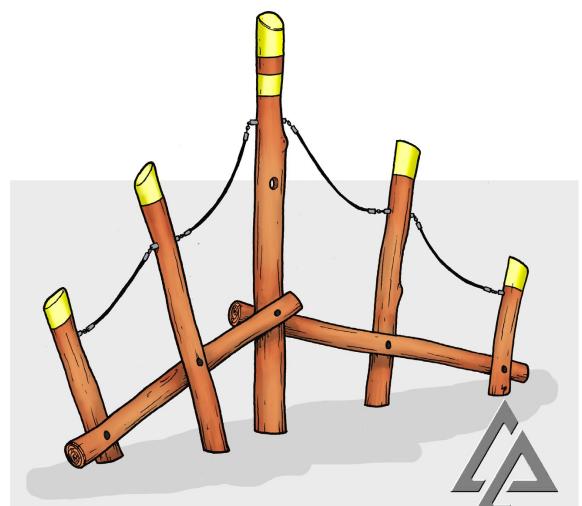

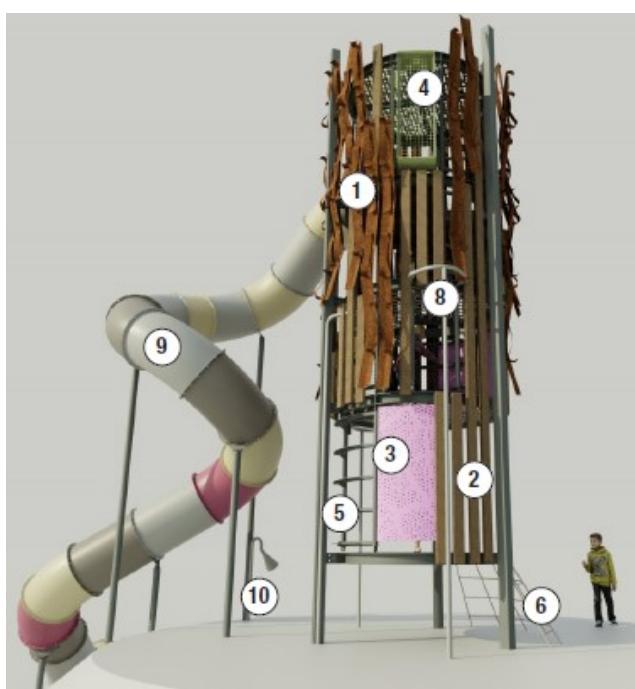

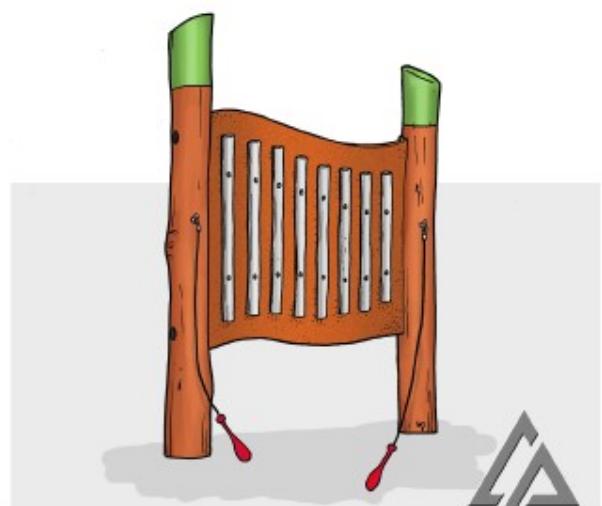

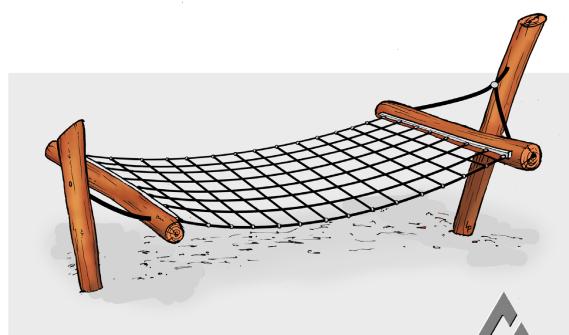

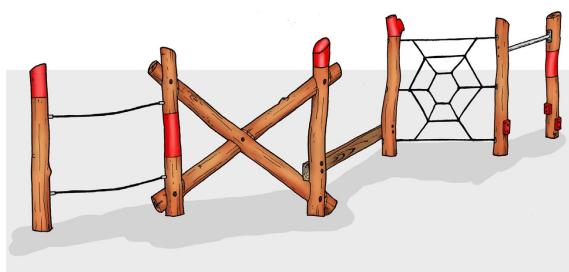

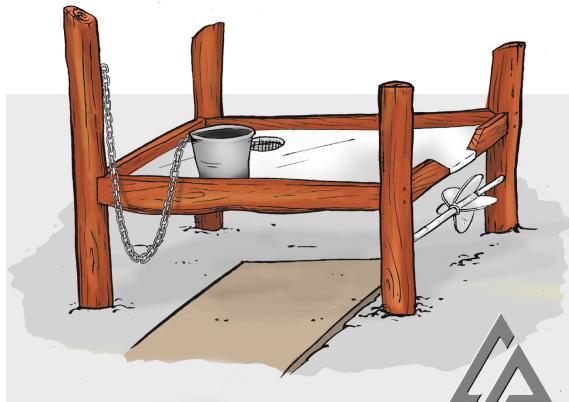

Due to the Shire being able to secure additional funding, the toilets will now be upgraded as part of the works. The toilets will be located in the same space as the previous block.

Q) Will the entire park be fenced?

Yes, the existing fence will be retained as part of the works.

VISITOR CENTRE

New Permanent Space for the Visitor Centre

We are excited to announce that the Central Wheatbelt Visitor Center (CWVC) has found a new home at the Merredin Train Station!

The Train Station was chosen due to its prime location within the CBD, the size of the space, and limited amount of modifications required, ensuring a quick setup for our team. Plus, it's perfectly situated for those hopping off the Prospector train, making it accessible for prospective visitors.

We're thrilled to breathe new life into this underutilised building, transforming it into a hub of activity for travellers and locals alike. With prime caravan and RV parking, we're creating a space that caters to visitors' needs.

The move to the Merredin Train Station will follow a short period of up to four weeks temporary relocation to Cummins Theatre, which commenced on Tuesday, 5 March 2024.

To prepare the Train Station building, some minor works will be carried out from Tuesday, 5 March 2024 for approximately 4 weeks. To assist with these works being completed safely, the carpark immediately in front of the building will be closed.

We can't wait to welcome you to the new CWVC! Stay tuned for more updates regarding opening dates.

Rules for Portable Pools

In Australia, if you have a portable or inflatable pool that can be filled to a depth of 30cm and is used by people, you need to install a pool fence.

There are many types of portable pools, ranging from small plastic or inflatable paddling pools, specifically designed for young children, to larger more solid inflatable pools or flexible sided pools with frames that can accommodate adults.

If your inflatable pool is a temporary fixture in your garden, you don't need to invest in and install a permanent fence structure made of steel, glass or aluminium. But you still must meet all fencing laws for your jurisdiction while the inflatable pool is in place and filled with water.

If you don't abide by the rules and are caught by your local council with incorrectly installed pool fencing that doesn't comply with Australian standards – or even no fence at all – you may get a fine.

Visit www.dmirswa.wa.gov.au/portable-pools to download the Rules for Pools and Spas brochure, which provides further comprehensive guidance on the pool safety barrier requirements in Western Australia.

A hard copy is available by calling the Department of Mines, Industry Regulation and Safety, Building and Energy Division on 1300 489 099 or email be.info@dmirs.wa.gov.au

JOB VACANCY

Grandstand Bar and Restaurant Casuals

Position Status: Casual

\$33.08/hour - \$34.08/hr | Junior Rate: \$17.26 - \$29.82

Are you passionate about delivering exceptional customer service and creating memorable experiences for guests? We are currently seeking dynamic and enthusiastic individuals to join our team as Grandstand Bar and Restaurant Casuals. If you thrive in a fast-paced environment and have a customer-centric mindset, we want to hear from you!

The Role

The Merredin Regional Community and Leisure Centre is a welcoming and vibrant local space where sports, leisure and recreation thrive together. Reporting to the Grandstand Bar and Restaurant Coordinator, you will play a crucial role in the seamless operation of the Grandstand Bar and Restaurant.

Your responsibilities include providing exceptional bar service, ensuring a clean and organised kitchen and restaurant, and assisting with food preparation as required.

The ideal candidates for this position possess well-developed time management and organisational skills, ensuring efficient handling of tasks and responsibilities. Candidates should demonstrate initiative and enthusiasm, contributing to a positive team environment. A customer-centric mindset, coupled with a commitment to delivering outstanding service and a genuine passion for creating memorable experiences, is essential.

How to Apply

Applications are to include a comprehensive CV, and a separate Cover Letter (max 2 pages), outlining your ability to meet the role requirements.

A position description, containing the Selection Criteria can be obtained online on the Shire of Merredin's website, or via email at careers@merredin.wa.gov.au. Note: The Shire reserves the right to assess applications, interview candidates and make appointments prior to the closing date.

This casual pool will remain open until **4:00pm, Friday, 28 June 2024**. Applications are to be marked "Private and Confidential" and emailed to careers@merredin.wa.gov.au.

JOB VACANCY

MRCLC Administration / Program Officer

Position Status: Permanent/Full Time

Salary: Level 7 range of \$63,209 to \$67,300

Applications are invited for the position of Administration/Program Officer at the MRCLC. This is a new role and has been developed to complete confidential and efficient administrative duties at the MRCLC and to deliver an effective and courteous service to the general public, sporting groups and community members. A key outcome of the role is to meet community needs in relation to the planning and delivery of recreation programs.

The Role

Reporting directly to the Recreation and Aquatics Manager, this position is key to the successful running of the MRCLC and requires someone that is adaptable, able to think on their feet and effectively solve the day to day issues that crop up. Ideally, you will have good administration skills, experience in or exposure to recreation program development and delivery and understand the challenges of working in a community facing role.

Ongoing, and in conjunction with the Manager, this role will work with community and sporting groups to identify their requirements and develop programs to ensure the best use of the facility.

If you are interested in this role but not sure whether you can meet all the requirements of the position description, reach out to us for a confidential discussion. A/Chief Executive Officer.

If you would like further information about this position please contact Codi Brindley-Mullen, Executive Manager Strategy and Community on (08) 9041 1611 during office hours. If you require information on how to apply, please email careers@merredin.wa.gov.au.

Applications are to be received by no later than **4:00pm, 29 March 2024**, and should be marked "Private and Confidential" and emailed to careers@merredin.wa.gov.au or sent via post to PO Box 42 Merredin WA 6415.
