

Candidate Details

District	Shire of Merredin
Candidate Name	Andrew Roy BUTLER
Ballot Paper Name	BUTLER, Roy
Nominating for	Councillor
Election Type	Ordinary

BUTLER, Roy

I have worked enthusiastically for four years for this community, as one of nine dedicated councillors. I would like to continue in this role for a second term because there is more I can do. Merredin must continue to be a safe, attractive place to live, economically viable and culturally and socially diverse. I will continue to support appropriate environmental actions because Merredin must not ignore the worldwide reality of climate change. I came here in 1990 and am now retired. I am over 65, like 15% of Merredin's population. I have an accommodation business and sheep farm, and am active in a variety of community groups. Please vote for me so that, as a councillor, I can continue to use my abilities, experience and the training I have received, for the benefit of all residents.
