Nominating for	<b>Councillor</b>
Election Type	<b>Ordinary</b>

---

## CROOK, Donna

My family are 4th generation farmers in Merredin. We have 2 adult children. My son and his family are a part of the family business and reside locally.

I am employed as a Senior Project Officer with the Department of Finance.

I am passionate and committed to Merredin. Over the years I have been involved in a wide variety of community organisations including school P&Cs, local sporting clubs, aged care, St John Ambulance and an elected member. This has given me an insight into the wants, needs and expectations of the community.

If elected as a Councillor as well as utilising my knowledge of Merredin and my experience in working in government, I will work with and involve the community to help deliver outcomes that ensure Merredin is a place where people want to live, work, play and retire.
