Nominating for	<b>Councillor</b>
Election Type	<b>Ordinary</b>

---

## **WATSON, Lesley**

My name is Lesley Watson. I have lived in Merredin for 5 years, my connection to Merredin goes back 10 years, when my children started playing sport in town, and attended Merredin College. I am a mum to 8 children, some have grown up and moved out of home, some are still here in Merredin.

I want my children to grow up in Merredin, and to find everything they need here. I want Merredin to be a vibrant, sustainable community, that has something for everyone. I know that health, education, business and recreation need to work together to grow community, to keep our children here, and to give them something to come home to. I want to make sure that those who have walked the paths before us are given the support and opportunity to be engaged with each other and the youth of our community.
