Merredin has been my home for the past 20 years. My wife Leah works as part of the shire's executive team and I have two kids who have both attended Merredin College since Kindy.

I have worked as the Trade Manager at Two Dogs Mitre 10 for nearly 18 years. I love being in the retail industry, and having the ability to interact with our community members and local businesses gives me a great insight into the needs and concerns of our town.

I am passionate about our local sporting groups and have been a committee member of the Merredin Basketball Association for the past 6 years, as well as being a coach and referee. I have also been part of the Merredin Falcons colts football committee and have been a coach, team manager and umpire in the Merredin Netball Association. Most recently I joined the Merredin Golf Club and am enjoying long walks through the bush.

Merredin is a great place to live and raise a family, and I'm looking forward to giving back to the community if elected to Council.
