Background

In accordance with Regulation 14 of the Local Government (Audit) Regulations 1996, each year every local government is required to carry out a compliance audit in relation to the period 1 January to 31 December against the requirements of the Compliance Audit Return (CAR).

After the CAR has been reviewed by the Audit Committee and presented to Council, a copy certified by the President and CEO, along with the relevant section of the minutes and any additional information explaining or qualifying the CAR, is to be submitted to the Department of Local Government, Sport and Cultural Industries (DLGSCI) by 31 March.

Comment

The CAR is one of the tools available to Council in its governance monitoring role. The CAR also forms part of the DLGSCI's monitoring program. The CAR enables the Council to monitor the level of compliance achieved and to take corrective action if required or proposed to prevent future like occurrences.

The 2020 CAR contains the following compliance categories:

1. Commercial Enterprises by Local Governments;
2. Delegation of Power/Duty;
3. Disclosure of Interest;

4. Disposal of Property;
5. Elections;
6. Finance;
7. Integrated Planning and Reporting;
8. Local Government Employees;
9. Official Conduct;
10. Optional;
11. Tenders for Providing Goods and Services.

The CAR provides the tool for the Council to monitor legislative compliance by examining a range of prescribed subjects under Regulation 13 of the *Local Government (Audit) Regulations 1996* in detail.
