5.6.1 Drought Summit Opportunity

Background:

At the Great Eastern Country Zone meeting held 27 August 2020, the following was resolved:

RESOLVED

That the Great Eastern Country Zone Executive Committee discuss at their next meeting the opportunity of working in collaboration with WALGA to coordinate a Summit in the near future.

Committee consideration:

At the Special Executive Committee meeting held on 22 September 2020, the Committee discussed the Great Eastern Country Zone hosting a drought summit in February 2021 as a half day forum involving the Great Southern and Central Country Zones

The Committee resolved as follows;

Resolved

- 1. That the GECZ Executive recommend to the Great Eastern Country Zone that the Zone host a Drought Summit in February 2021(via Flying Minute).*
- 2. Subject to approval on item 1, the Zone email other Zones seeking their interest in attending.*

At the Executive Committee meeting held on 12 November, the issue was further considered as arrangements had not progressed as information was received advising of concerns in attracting any politicians for a Summit in February 2021 due to the State Election.

The Committee discussed referring this item to the Zone meeting for a broader discussion with all members and resolved as follows;

Resolved:

That a Zone agenda item be proposed to further consider the merits of holding a drought summit

Comment

The item is brought forward for the Zones consideration on whether to hold a Drought summit.

To assist the following information is provided on the broader issue of Drought. The 2020 Annual General Meeting considered this issue and resolved as follows;

That WALGA:

- 1. Requests assistance from the Federal Minister for Agriculture, Water and Environment, to reconsider the Federal Government's approach when determining the criteria on what areas are eligible for drought assistance, and*
- 2. Requests the State Minister for Agriculture and Food to reconsider the State Government approach of not assisting with the drought situation, and if the State cannot help under their Water Deficiency Program that is implemented to cart water, then an alternative assistance package be considered.*

The above motion is consistent with the State Council resolution of March 2020, requesting WALGA, in consultation with ALGA, to liaise with the WA State Government Ministers for Water, Agriculture and Environment to provide a coordinated holistic response in respect to the ongoing drying climate issues and access to the Drought Communities Funding Program. RESOLUTION 37.1/2020

WALGA has written to the Federal Minister for Agriculture, Water and Environment and a favourable response has been received in respect to the On-farm Emergency Water Infrastructure Rebate Scheme (the Minister announced a further \$50m for the Scheme in October 2020, with a co-contribution expected from the State) and in acknowledging sector frustration with the then Drought Communities Program Extension Program. The Minister is now focused on finalising the details of the Local Government Regional Drought Resilience Planning Program with the WA State Government. Once the details are finalised, the successful undertaking and completion of these Plans by Local Government will inform decisions about future funding allocations by the State and Commonwealth.

Correspondence was also sent to the Western Australian State Minister for Agriculture and a positive response to reviewing the matter has been received, with the Minister committing to work with the Minister for Water to ensure that Local Governments optimally benefit from the Future Drought Fund, and that DPIRD and DWER will continue to work closely with WALGA to seek solutions to improve drought resilience throughout the state.

WALGA's Acting Policy Manager Environment, Garry Middle will be attending this meeting to assist with discussion.

ZONE DISCUSSION

The zone discussed that a drought summit is not advantageous at this point in time, the Zone will revisit at a later date.

RESOLUTION

That the Zone defer consideration of a Drought Summit at this point in time and retain a 'watching brief' on issues associated with drought funding.

6.1 Inquiry into Local Government – Final Report

By Tony Brown, Executive Officer

Correspondence has been received from the Office of the Legislative Council Committee of Western Australia extending their thanks to the Great Eastern Country Zone of WALGA for assistance with its Inquiry into Local Government - [Please see report](#).

Noted

6.2 Cunderdin Agricultural College – Year 11 Student accommodation

The Great Eastern Country Zone earlier this year resolved as follows;

That the Great Eastern Country request the State Government provide funding assistance through the Business Case for infrastructure upgrades to the accommodation at the Cunderdin Agricultural College to address the oversubscription of students that will continue to support the Government in achieving its targets or regional prosperity and regional job creation.

Correspondence was sent to the Hon Sue Ellery, Minister for Education and Training. The Minister has responded as per the following;

Thank you for your letter dated 16 July 2020, advising of the support of the Great Eastern Country Zone for the upgrade of the residential accommodation at the WA College of Agriculture - Cunderdin.

The college has a long history of providing a high standard of agriculture and trade education and is continuing to attract interest from prospective students. As noted in your letter, each college has an overall cap, determined by the capacity of the farm enterprises to deliver appropriate educational experiences for students, and the residential accommodation needs to align with this capacity. The Department of Education is aware that the WA College of Agriculture - Cunderdin is a sought-after college. The Department is working with the college to prepare a Business Case and this will be considered when future capital works programs are compiled.

Thank you for bringing this matter to my attention.

6.3 Mobile phone tower battery back up during emergencies

Background

Nick Sloan (WALGA CEO), Joanne Burges (WALGA Intergovernmental Relations and Risk) and Cr Stephen Strange met with Senator Dean Smith and Mark Thompson, Corporate Affairs Manager and Boyd Brown, WA Regional General Manager representing Telstra on Thursday 24 September, 2020.

The Senator had called the meeting as a follow up to our meeting of 22 July, 2020 when the Association assisted by Cr Stephen Strange, escalated the matter to the Commonwealth level via three fronts, Hon Melissa Price MP, Hon Mark Coulton MP and the Senator.

Telstra acknowledged that issues occur around 'unplanned' outages (as experienced in emergency situations) and that energy providers (Western Power and Horizon Power) should also be at the table to address this issue along with future proofing solutions.

Further, Telstra spoke of the Commonwealth's 'hardening' grant funding program (funded via Mobile Black Spot Funding), at which time we were able to outline some of the limitations of the fund.

Acknowledged one of the gaps is between the battery back-up 'going down' and the technician arriving.

Further, it was acknowledged that Telstra had distributed a 'Notifications' Fact Sheet as an outcome to previous advocacy by Zones and WALGA. (Currently notifications of 'planned' outages are going directly to the Local MP and the affected Local Governments).

Solutions discussed included but were not limited to:

- Investigating the actual 'cost' and options of a battery backup replacement and maintenance program to ensure longer back-up

- Investigating 'local' options and training for technicians
- Including Western Power and Horizon Power to seek a collaborative approach to both short term solutions and innovative solutions for the long term e.g. Gen Set/Solar/ Battery combination

Outcomes of the meeting included:

- The Senator to write to the Telstra CEO outlining the specific nuances and needs of Western Australia
- The Senator will write to the SEMC to encourage this matter as a standing item, suggesting Telstra, Western Power and Horizon Power attendance to seek a collaborative solution
- The Telstra WA Regional General Manager, Boyd Brown and WALGA CEO, Nick Sloan to meet in the near future to progress solution seeking options for the short, medium and long term

It was acknowledged that many of the options were currently prohibitive from a cost perspective, although the discussions did identify some options that could be explored further.

Where cost was seen as an issue, it was agreed that this should not limit investigating what is possible and to explore funding options that could be available now and into the future.

Most importantly, there is a commitment to keep exploring options.

Cr Strange updated the Zone on a conversation held with Richard Burnell, Department of Fire and Emergency Services. This issue has been elevated to the State Emergency Movement Committee (SEMC) and Emergency Services. Richard Burnell has requested to present at the next zone meeting.

7. ZONE REPORTS

7.1 Zone President Report

By Cr Rhonda Cole

RESOLVED

That the Zone President's Report be received.

7.2 Local Government Agricultural Freight Group

By Cr Julie Flockart

Cr Julie Flockart provided her report to the Zone. Minutes of the 5 October Local Government Agricultural Freight Group were attached with the Agenda.

ZONE DISCUSSION

The Zone Chair acknowledged the work carried out by former Cr Ricky Storer from the Shire of Koorda, President Cr Katrina Crute, Shire of Bookton and Garrick Yandle, CEO Shire of Kulin, for their efforts in respect the Wheatbelt Freight Route Project.

RESOLVED

That the Local Government Agricultural Freight Group Report be received.

7.3 Wheatbelt District Emergency Management Committee

By Cr Tony Sachse

The Minutes of the Wheatbelt DEMC Meeting on Wednesday, 21st October were attached. There were three guest speakers.

- (1) "State Recovery Coordination" by Suzanne Blyth DFES. Presentation was attached.
- (2) "Pre-Season Weather Outlook" by Gianni Golangelo BOM/DFES. Presentation was attached.
- (3) "Effect of Power Outages on Telstra Infrastructure" by Dan Clements. Note item 2.3 in Minutes.

Evacuation Centres and COVID-19 was discussed in a presentation from Ant Sadler (DFES). Since that meeting, the Department of Communities has sent out an eDoc relating to COVID-19 – Welfare Centre Guidelines (Oct 2020). The Operational Area Support Group (OASG) recommends discussion at LEMC level on Evacuation Centres relating to COVID-19 precautions before a response team from the DoCs arrives. I have attached this eDOC with this report, but you should already have received it through your LEMC's correspondence.

Please also note that if there are people self-isolating due COVID-19, and they need to leave due to Advice, Watch and Act or an Emergency Warning, then they should travel to a safe place (preferably a relative's residence), and contact WA Police. This detail of this is documented in the eDOC.

I have reported to the OASG Wheatbelt that smaller Local Government's do not have the resources to meet the precautions in the eDOC. Larger LGA's may be able to achieve this. Once the Department of Communities arrive then they will have the necessary resources. However, we are talking in the period where the evacuation centre is being set up and starting to receive people.

There will be a Wheatbelt Human Services Managers Forum Meeting on Thursday, 19th November 2020. Agenda topics include the Wheatbelt Education Engagement Plan (WEEP), CRTAFE Digital Skills Training Needs Survey, Early Years Working Party, Community Awareness Working Party and Education Engagement. I am currently representing Local Government on this Committee so if there is any feedback on these or other related topics please contact me.

Reports on the progress of the Wheatbelt DEMC were attached with the Agenda.

RESOLUTION

Moved: Cr Davis
Seconded: Cr Waters

That the Wheatbelt District Emergency Management Committee Report and attachments be received.

8.1 State Councillor Report

Cr Stephen Strange

Cr Strange advised that a Special Meeting of State Council was held in early November and endorsed WALGA's new Corporate Strategy 2020-2025.

The development of WALGA's strategic plan has been an involved and significant process throughout this calendar year incorporating input from State Council, executive team and staff, a sample of members at senior levels, and external stakeholders including Directors General and other senior public servants.

The strategy identifies five key strategic themes:

- Advocating and facilitating sector policy and solutions
- Delivering member-centric, quality services
- Financial sustainability
- Contemporary systems
- Agile workforce

WALGA's annual convention will be moved for 2021 to the Crown Perth Plaza and will be held in mid-September. WALGA listened to the feedback from Delegates at the 2020 AGM held recently.

There was a cancellation fee required to break the contract from the Perth Convention and Exhibition Centre and Tony Brown will advise the Zone on this cost via e-mail following the meeting.

Request that the agencies be requested to engage with WALGA to seek a solution to the current short supply of GROH housing within all regions. <p>In August 2020, WALGA received a response from the Director General, Communities, which stated that the Department of Communities has diverted much of its resources towards the social and economic recovery of the State. Therefore work on the planned GROH review is placed on hold until the conclusion of the COVID-19 emergency period.
