3. Public Question Time

The following question was submitted prior to the commencement of the Ordinary Council Meeting by Mr Cameron Wild.

Mr Cameron Wild of Merredin

Question: Why is O'Connor Road inaccessible to the public, when it is a gazetted public road? It is inconvenient to users south of the Great Eastern Highway.

Answer: O'Connor Street is open and accessible to the public. The section of the road to the west of South Avenue is maintained as an unsealed road and service track, which provides access to several properties and the Tamma Parkland parking area. The section of O'Connor Street to the east of South Avenue is maintained as an unsealed service track as this does not

provide front access to any residential properties and is only used by service providers to maintain water and power lines.

The intention is that Caw Street provides the main route off South Avenue to the east, to provide access to the surrounding properties and access to Pollock Avenue.

8. Announcements by the Person Presiding without Discussion

Cr Van Der Merwe entered the Chambers at 4:06pm.

The Shire President read the below into the public record:

A number of times as Merredin Shire President I have had the opportunity to acknowledge a number of citizens of the Merredin Shire who have recently passed away and who have left a significant mark upon the community.

It is with sadness that since the last Ordinary Council Meeting, three significant members of the Merredin wider community have passed away leaving an unprecedented hole in the lives of their families and of the Merredin Community.

In the last 5 or so weeks we have lost:

- Jim FLOCKART
- Terry MIDDLETON and
- Eddy JOHNSTON OAM JP

Jim FLOCKART

James Hamilton FLOCKART, lovingly known as Jim was the quintessential farmer and a boy from the bush, a father of two and sadly missed by his lovely wife of over 61 years Bev.

During his Eulogy it was mentioned that he attended at Scotch College and though he didn't have a university degree, Jim believed he learned the most about life through the school of hard knocks.

He loved his work, loved playing for the Burracoppin Football Club and amongst many other things started the Merredin Men's Shed in 2010 after selling his farm.

During his 91 years Jim received 5 life memberships at:

- 1972 - Apex Merredin
- 1986 - Burracoppin Football Club
- 2004 - Merredin Bowling and Tennis Club
- 2017 - Merredin Community Men's Shed
- 2022 - Eastern District Football League.

Many people know him through farming, attending to the Men's Shed, being involved in Burracoppin Football Club but always someone who wanted a conversation, lend a hand and didn't like standing still.

Jim's investment in the wider Merredin Community was significant and it continued until the day he passed away.

His is missed by many and numerous organisations throughout Merredin are better off because of him.

VALE – James "Jim" FLOCKART.

Terrence MIDDLETON

Terrence James MIDDLETON was a much loved and respected business owner and Accountant in Merredin for numerous years. Born in Donnybrook before moving to numerous towns as a result of his Dad's employment in the railways, he ended up in Merredin and stayed here.

Aged 22 he joined the Royal Australian Air Force based at Pearce Air-base. He became friends with many people he worked with but his best friend through the RAAF was Ron Troughton and they continued their friendship right until the end. Ron attended and spoke at his

memorial service earlier this month in Merredin describing him as a caring and loving man and a friend he cherished since they first met.

A loving husband to his late wife June, father to four girls and one son, he was also a devoted member of the Merredin Catholic Church and when much younger living in York, was asked to become a Catholic Priest.

When he shifted permanently to Merredin, Terry found work with an accounting firm that was located in the arcade next to Duffs, Old Merredin Hotel on Bates Street.

After a few years, June and Terry bought a house in Merredin deciding to stay here, started his own Accountancy Business by setting up an office in his lounge room before purchasing the Old National Bank building on Bates Street where he operated his Accounting Business there until his retirement in 1997. His accountancy business and legacy continues as his son Neville purchased and continues the business when Terry decided to retire.

Terry was a committee member and very supportive of the many sporting clubs he was involved in, including Merredin Railways Tennis Club as well as being part of APEX for many years.

Terry loved to swim and was regularly seen swimming laps at the Merredin Swimming Pool until late in life and also loved playing golf.

Terry was a proud grandfather and great grandfather.

VALE – Terrence “Terry” MIDDLETON.

Edward JOHNSTON OAM JP

Edward Ernest JOHNSTON OAM JP passed away recently at the age of 99, just shy of turning 100. It was only on ANZAC day we last saw him as he walked into the Cummins Theatre, proud as punch with the love of his life Margaret.

They had three children, nine grandkids, four great grandkids and obvious to all at his funeral service, two more due very soon.

He was a champion athlete when at Wesley College and stories are told that only recently he was still seen walking the streets maintaining his fitness.

Eddy joined the Army in 1942 and was sent to New Guinea. He was assigned to the Signals Corp.

His daughters recounted how he had vivid memories of mud and malaria in New Guinea and thankfully never got it, but at times half of this group were out of action because of malaria and he was one of few who never contracted it.

He was in the Battle of Milne Bay at the same time as the Kokoda Army stopped the Japanese Army advance into Australia. The first land defeat of the Japanese forces in World War II.

His girls remember Dad saying “War is a horrible thing and we should avoid it”.

After the war, Eddy shifted back to WA and worked with the Commonwealth Bank around WA and regional Victoria for 6 years before shifting back to WA. He shifted to Merredin in 1955 and stayed at the Merredin Hotel across the road from Davies Newsagency, apparently a regular purchaser from the shop, or was it to see the shop assistant called Margaret.

Eddy took over the running of the newsagency in 1961.

Eddy and Margaret enjoyed travelling after retirement and took up bowls at the Civic Bowling Club, won numerous titles and received a life membership in 1994. He became their Patron for 16 years when it shifted to the Recreation Ground.

In 2008 Eddy received the Medal of the Order of Australia for his service to the local community. He was very proud of this medal. Eddy believes he held positions in more than 50 organisations over his 99 years and was involved in initial discussions about the building of the Merredin Swimming Pool and became the Secretary with the view of raising money to build the pool. He was successful and the rest is history. We all love the pool.

Eddy was a Justice of The Peace at the time when he used to hold court as in those times the Magistrate only came to Merredin once every four weeks. He was also a proud member of the Freemasons for 70 years.

Eddy was a legend of Merredin and I am sure he is missed within the Wheatbelt as well throughout the state and also around Australia due to his investment in looking after Australian interests during World War 2.

Tears flowed as the Hearse carrying Eddy, followed by family and friends drove up Woolgar Avenue as students and Teachers stood as a guard of honour enroute to the cemetery via one last stop at his house on Cunningham Street. The act and respect shown was unbelievable and brought a tear to this humbled Shire President.

VALE - Edward JOHNSTON OAM JP

The loss of all three of these gentlemen have diminished the Wheatbelt community and impacted the greater Merredin area significantly.

Our thoughts are with the families of a Jim, Terry and Eddy. They will all be remembered.

Cr Patroni commended the Shire President on delivering of such a moving address in memory of the three residents.

Purpose of Report

Executive Decision

Legislative Requirement

For Council to receive the Statements of Financial Activity and Investment Report for the month of April 2023, and be advised of associated financial matters, including a material variance which has occurred during the reporting period.

Background

The Statement of Financial Activity, Detailed Statements, Capital Works Progress and Investment Report are attached for Council's information.

Comment

Statement of Financial Activity

Regulation 34 of the *Local Government (Financial Management) Regulations 1996* requires the Shire to prepare a monthly statement of financial activity for consideration by Council within 2 months after the end of the month of the report. These reports are included at Attachments 14.1A to D inclusive.

Material Variance

Council has set a materiality reporting threshold of \$10,000 for operating budget line items. A material variance will occur during the financial year, as the annual Fringe Benefits Tax (FBT) payment due to the Australian Taxation Office (ATO) is higher than the amount budgeted.

GL 2140206 had a total budget for the 2022/23 financial year of \$48,000. The total FBT payable for the Shire of Merredin for the period 1 April 2022 to 31 March 2023 is \$73,896, resulting in a shortfall of \$25,896. These funds must be paid in the current financial year, and therefore a variance will occur during the May reporting period. This will be met from the overall budget surplus for the financial year.

Further information will be provided to Councillors on this matter during the briefing session.

∅ Strategic Resource Plan

Risk Implications

The Statement of Financial Activity is presented to Council monthly and provides a retrospective picture of the activities at the Shire of Merredin (the Shire). Contained within the report is information pertaining to the financial cost and delivery of strategic initiatives and key projects.

To mitigate the risk of budget over-runs or non-delivery of projects, the Chief Executive Officer (CEO) has implemented internal control measures such as regular Council and management reporting and a quarterly process to monitor financial performance against budget estimates.

Materiality reporting thresholds have been established at half the adopted Council levels, which equate to \$10,000 for operating budget line items and \$10,000 for capital items, to alert management prior to there being irreversible impacts.

It should also be noted that there is an inherent level of risk of misrepresentation of the financials through either human error or potential fraud.

The establishment of control measures through a series of efficient systems, policies and procedures, which fall under the responsibility of the CEO as laid out in the *Local Government (Financial Management Regulations) 1996* regulation 5, seek to mitigate the possibility of this occurring.

These controls are set in place to provide daily, weekly, and monthly checks to ensure that the integrity of the data provided is reasonably assured.

Financial Implications

The adoption on the Statement of Financial Activity is retrospective. Accordingly, the financial implications associated with adopting this are nil.

14.3 Councillor Annual Allowances and Meeting Attendance Fees 2023/24

Purpose of Report

- Executive Decision
 Legislative Requirement

For Council to determine the amount to be provided for in the drafting of the Shire of Merredin (the Shire) 2023/24 Annual Budget, for Elected Members annual allowances and meeting attendance fees.

Background

Section 5.98(1)(b) of the *Local Government Act 1995* (the Act) provides for the payment to Members of fees for attending Council Meetings on either a per meeting, or an annual basis.

The amounts are set annually by the Salaries and Allowances Tribunal (SAT). Each Council is placed into a band to determine applicable fees. The Shire is categorised as a band three (3) Council.

The Act also allows for the reimbursement of, or an allowance for, covering certain expenses incurred by Elected Members.

The remuneration amounts independently set by SAT, are appropriate to the responsibilities, duties and effort required to fulfil the role of an Elected Member for the Shire.

Current 2022/23 Fees paid to its Elected Members are as follows:

Annual Meeting Fees	
Shire President	\$ 8,879
Deputy President	\$ 8,879
Elected Members	\$ 8,879

Annual Allowance	
Shire President	\$ 14,794
Deputy President	\$ 3,698

	Comment
--	----------------

The permissible range for attendance fees and allowances are stipulated by the *Salaries and Allowance Act 1975* (S&A Act) and from 1 July 2023 have been determined as follows:

Table 4: Council meeting fees per meeting - local governments

For a Council Member other than the Mayor or President			For a Council Member who holds the office of Mayor or President	
Band	Minimum	Maximum	Minimum	Maximum
1	\$640	\$825	\$640	\$1,240

3	\$1,070	\$38,450
4	\$535	\$20,875

7.3 Annual Allowance for a Deputy Mayor, Deputy President or Deputy Chair

(1) The percentage determined for the purposes of section 5.98A(1) of the LG Act is 25 per cent.

The SAT annual determination for 2023/24 is a 1.5% increase on the minimum and maximum in each band, rounded to the nearest \$5.

Suggested options that Council could consider towards setting 2023/24 annual allowance and meeting fees payable are below:

Option 1 – No change – maintain Councillor Remuneration at the current 2022/23 amounts.

Option 2 – Apply a percentage increase, within the SAT prescribed amounts (% set by Council).

Option 3 – Apply a set amount increase, within the SAT prescribed amounts (amount set by Council).

Previously, Council has opted for a percentage increase which reflects the percentage change set by SAT for the overall minimum and maximum within the band. Should Council wish to apply this again for the 2023/24 budget year, this would be an increase of 1.5% to Councillor remuneration based on the SAT determination.

This would result in an increase to Councillors of \$131 each over the course of the year, with the President receiving a further \$221 increase and the Deputy President receiving a \$57 increase.

Below outlines the resulting payments, to be paid in arrears to Councillors quarterly.

Annual Meeting Fees		Annual Allowance	
For a Council Member other than the Mayor or President	For a Council Member who holds the office of Mayor or President	Annual Allowance Shire President	Annual Allowance Deputy President
\$9,010	\$9,010	\$15,015	\$3,755

The development of the recommendation for this report reflects the assumption Council will increase allowances in line with the SAT determinations, which is also in line with previous decision making, rather than reflecting an Administration recommendation.

However, should Council wish to apply either a different percentage increase, or set amount to fees, this can be reflected in an alternate motion.

Policy Implications

As outlined in the *Local Government Act 1995* and *Local Government (Administration) Regulations 1996*.

Statutory Implications

Local Government Act 1995

Section 5.98 entitles Council Members to be paid fees and reimbursed expenses up to the amount determined by the SAT under the S&A Act, section 7B.

Section 5.98(5) allows the Mayor or President to be paid an additional allowance up to the amount determined by the SAT under the S&A Act section 7B.

Section 5.98A allows the Deputy Mayor or President to be paid an additional allowance up to the amount determined by the SAT under the S&A Act section 7B.

Section 5.99 allows Council Members to be paid an annual allowance instead of meeting fees up to the amount determined by the SAT under the S&A Act section 7B, subject to an absolute majority decision.

That Council ENDORSE the following annual allowances and meeting attendance fees for inclusion in the Shire of Merredin Annual Budget 2023/24, to be paid quarterly in arrears:

83163	Annual Meeting Fees		Annual Allowance	
	For a Council Member other than the Mayor or President	For a Council Member who holds the office of Mayor or President	Annual Allowance Shire President	Annual Allowance Deputy President
	\$8,170	\$8,170	\$13,610	\$3,400

CARRIED 5/3

The reason provided by Cr Billing for his Alternative Motion was that Council recently set Council rates to be increased by 9% to account for inflation and enable improvement and capital works projects in the Shire. Council have also responded to subsidising fees and charges for sports and have been informed that the future management costs of the MRCLC are unknown.

Although SAT determined attendance allowances be increased by 1.5%, they also recognised the expectation of a degree of voluntary service as an elected member and weren't intended to be full time salaries.

By adopting a 9% increase in rates, Councillors were aware that cost cuts would be required to achieve the plan for 2023/24. In order to deliver on these services, Council can't just sit back and expect the Administration to do all the work. Councillors need to be proactive and put in motion a means for achieving the service levels that our rate payers expect. We can't afford to fund the whole amount of the shortfall in budget, but we can start to assist the Administration with identifying areas that could result in cost savings.

I believe by reducing the Councillor payments and Presidential and Deputy allowances by 9% would let our community know that we are proactive in our commitment to delivering a balanced budget and are prepared to do what it takes to get us there. The 9% is a saving of \$2,191 on this budget line, would only be a reduction of \$709 per year or \$59 per month before tax per Councillor, a \$298 reduction in Deputy allowance and \$1184 saving in President allowance and are still above the minimum for Councillor allowances and well above the minimum for the President and Deputy allowances.

14.4 Delegations Register Review - 2022/23

Purpose of Report

Executive Decision

Legislative Requirement

For Council to consider and approve the recommended changes to the Shire of Merredin Register of Delegated Authority.

Background

Section 5.46 of the *Local Government Act 1995* (the Act) requires local governments to keep a register of their delegations and review this register at least once every financial year. Council performed an annual review of delegations at its Ordinary Council Meeting held in June 2021 (CMRef 82747). This was further reviewed in January 2022, where Delegation 4.12 – Payments from the Municipal or Trust Funds was reviewed and amended as the only delegation requiring change at that time (CMRef 82855).

Delegated authority aims to improve the time taken to make decisions within the constraints of relevant legislation.

Without delegated authority, many decisions of the Shire of Merredin (the Shire) would need to be made by Council at its ordinary meetings. Having appropriate delegations in place allows day to day decisions to be made by the Chief Executive Officer (CEO), who in turn can sub-delegate these to other staff if appropriate.

Under the Act, local governments may delegate to the CEO the exercise of any of its powers or the discharge of any of its duties, other than those prescribed under section 5.43 Limits on Delegations to the CEO.

All delegations made by Council must be by absolute majority as prescribed by sections 5.42 and 5.44 of the Act that legislates Council's ability to delegate functions to the CEO.

The criteria WALGA recommends for determining when to provide delegated authority is outlined below, and the Administration has considered these when conducting the annual review.

- Does the delegation contribute to sound decision making that complies with legislative obligations?
- Does it improve efficiency and customer service outcomes?
- Does it ensure ‘Routine’ decisions are better managed?
- Have risks and political and community sensitivities been sufficiently managed through the conditions and limitations on the delegation?
- Does the delegate have the skills, technical expertise and training to exercise the delegated powers or duties?
- Are there appropriate policies, procedures and/or training to support decision makers when using the Delegated Authority?

	Comment
--	----------------

The 2022/23 annual review of the Shire of Merredin Register of Delegated Authority was undertaken to determine the following:

1. The appropriateness of the existing delegations; and
2. The need to amend any of those delegations.

The proposed amendments reflect the following:

- Amending existing delegations to improve workflow processes and service delivery;
- Minor wording and formatting changes;
- Removal of the word ‘of’ from Executive Manager titles; and
- Renaming the Deputy Chief Executive Officer position to Executive Manager Strategy & Community, as per Item 19.3 of the Ordinary Council Meeting held on 28 March 2023 (CMRef 83130), and amending delegations as required to match the change.

More significant changes are detailed below:

Delegation	Change
DL1.8 Appointment of Acting Chief Executive Officer	Removal of Deputy Chief Executive Officer (DCEO) from policy and addition of Executive Manager Strategy and Community (EMS&C), this had a number of connotations to the existing delegation. The delegation now allows for the appointment of any of the four Executive Managers as Acting Chief Executive Officer (A/CEO). An additional line was also added to allow any of the four Executive Managers to call a Special Council Meeting to determine the A/CEO in case of an emergency.
DL3.1 Temporary Closure of Thoroughfares	Addition of Manager of Projects as a subdelegate.
DL3.2 Public Thoroughfares – Fixing or Altering Levels or	Addition of Manager of Projects as a subdelegate.

Alignments or Drainage onto Adjoining Land – Public Access	
DL3.3 License to Deposit Materials on or Excavate Adjacent to a Street	Addition of Executive Manager Engineering Services (EMES) as a subdelegate.
DL3.4 Events on Roads	Addition of Manager of Projects as a subdelegate.
DL4.1 Tenders	Full review as per the WALGA Delegations Register template. Addition of Executive Managers and MP as subdelegates, as well as CEO conditions on the sub-delegation.
DL4.2 Property Acquisition and Disposal	Change to the value of property (other than land) that can be acquired or disposed of by the CEO from \$50,000 to \$100,000.
DL4.3 Investments	Change to signatories to match change of DCEO role title.
DL4.5 Light Vehicles	Addition of Manager of Projects as a subdelegate.
DL4.7 Cash Funding, In-kind Contributions and Fee Waivers (formerly Donations to Community Groups)	Major changes to align to new Community Grants structure, including a change to the delegation's title.
4.11 Agreement as to payment of Rates and Service Charges	Addition of CEO, under exceptional circumstances, being able to halt interest on an assessment for a period of up to 12 months.
4.12 Payments from the Municipal or Trust Funds	Changes in line with DCEO role change and removal of authority limits due to this not belonging in the delegation. A new Staff Purchasing Policy has been created to encompass these authority limits.
4.13 Write-Off/ Waive Small Fees and Charges	Amended to match new Community Grant Policy and addition of EMES as subdelegate, with authority of \$1,000 for landfill site only.
5.1 Offences – Bush Fires Act 1954	Separation of the issue and withdrawal of infringements within duty delegated section.
5.4 Dog Act 1976	Removal of condition 1, allowing the Executive Manager Development Services (EMDS) to withdraw notices and/ or infringements.
5.5 Cat Act 2011	Removal of condition 1, allowing the EMDS to withdraw notices and/ or infringements.
5.7 Food Act 2008	Addition of condition 3, allowing the EMDS to withdraw infringement notices.

It should be noted that a further review of the register will occur early in the new financial year, as part of our broader review of delegations and governance. This may result in the removal or addition of delegations, and see further changes occur.

In addition to the proposed amendments detailed in Attachment 14.4A, the amendment table at the end of the document does not currently reflect the proposed changes. This table will auto generate once the amendments have been entered into Attain, the Shire's compliance software.

Policy Implications

Shire of Merredin Policies are referred to throughout the Register of Delegated Authority.

Statutory Implications

Section 5.42 of the *Local Government Act 1995* states that a number of the local government's powers and duties can be delegated to the CEO. Section 5.43 of the Act details the limitations on those delegations. Section 5.44 of the Act outlines the circumstance under which the CEO may delegate powers and duties to other employees.

Section 5.46 (2) states '*At least once every financial year, delegations made under this Division are to be reviewed by the delegator.*'

As required by Section 5.46 (3) of the *Local Government Act 1995*, the use of exercising the delegated authority is to be reported to Council, which is done as an attachment to the Monthly Information Bulletin provided under separate cover to Council each month.

An absolute majority of Council is required to adopt the Delegations Register.

The separate legislation referenced in the individual delegations is also applicable.

14.5 Policy Review – 3.12 Purchasing Policy

Purpose of Report

- Executive Decision Legislative Requirement

For Council to consider a revised Policy – 3.12 Purchasing Policy, which outlines the purchasing practices that must be adhered to by all staff of the Shire of Merredin (the Shire) when completing any purchasing activities.

Background

Policy 3.12 ensures that appropriate practices occur in regard to purchasing, across the organisation.

As part of the 2021/22 Audit, it was noted that *‘as per the Shire’s purchasing policy, which was last reviewed in September 2020, the invitation for a public tender is for amounts \$200,000 or above. This is not in line with Regulation 3.57 of the Local Government (Functions and General) Regulations 1996, which sets the tender invitation amounts at \$250,000 or above.’*

There is an opportunity for the Shire to review its procurement policy to avail itself of the increased limits available under the regulations. This could lead to more efficient procurement practises and cost-effective operations. This was reported to the Audit Committee as part of the exit meeting held on 19 December 2022 and it was agreed that a review would be undertaken. This report and attachment forms that review.

A review of the policy also found that a number of updates have been made to the WALGA purchasing policy template, which was used to develop the Shire’s policy initially. These updates have been made to the proposed policy, as presented in Attachment 14.5B.

It was also found that current requirements of the existing policy for quotes to be obtained for items of low value (\$2,001 ex GST and above) can be quite restrictive, which can lead to

breaches of the purchasing policy occurring. On a number of occasions, staff have not been able to meet the minimum quote requirement due to a lack of local suppliers/ other suppliers or a reluctance of businesses to provide written quotes for items or services of a low value.

Discussions with the Shire’s auditors have confirmed that \$6,000 ex GST would be an appropriate limit to set for Shire of Merredin staff to make purchases without requiring a quote. The Shire’s purchasing practices, whereby staff are required to raise a Purchase Order prior to making a purchase, will still apply.

	Comment
--	----------------

The Policy has been reviewed with a number of key changes. The main points of note include:

- A change for the lowest purchasing threshold bracket from ‘Up to \$2,000 (ex GST)’ to ‘Up to \$6,000 (ex GST)’ and a line added to clarify these purchases can be made utilising a Shire Purchase Order or Corporate Credit Card.
- The second purchasing threshold bracket (\$2,001 - \$5,000 ex GST) has been removed.
- The third purchasing threshold bracket has been changed from ‘from \$5,001 and up to \$20,000 (ex GST)’ to ‘from \$6,001 and up to \$20,000 (ex GST)’ and quotes being able to be either verbal or written.
- The purchasing bracket from \$50,001 and up to \$200,000 ex GST has been changed to ‘from \$50,001 and up to \$250,000 (ex GST),’ as per the Auditor’s recommendation.
- A new category has been added to allow purchasing of WALGA services to require only one written quotation.
- The anti-avoidance section has been updated, due to an error in the previous policy needing to be corrected.
- The figures relating to Aboriginal Businesses and Australian Disability Enterprises have been updated from \$200,000 to \$250,000 ex GST to match the changes in the thresholds.
- Formatting to meet the new Shire policy template has also occurred.

The intent of the above changes is to make the policy more current and easier to implement across the Organisation, as well as meeting the requirements of the *Local Government (Functions and General) Regulations 1996*.

The current Policy does not meet the requirements of the *Local Government (Functions and General) Regulations 1996* in regard to invitations for public tender, and the current requirements for quotes for items of low value can be quite restrictive, which can lead to breaches of the Purchasing Policy occurring. Having a higher limit set for quotes to not be required could pose a greater risk to the Organisation, however, in the current economic climate and with the limit being set at \$6,000, the risk to the Organisation is considered to be low.

Purpose of Report

Executive Decision

Legislative Requirement

To meet the Shire of Merredin's (the Shire) obligations under the *Bush Fires Act 1954* and the *Work Health and Safety Act 2020*, and to ensure review the Shire's Policy Manual occurs. While reviewing the Shire's Policy Manual, the Administration identified the need for additional policies related to fire control needed to be developed.

Background

In accordance with the Shire's Risk Management Framework and the *Local Government Act 1995*, policies are to be reviewed regularly.

The Emergency Services Officer (ESO) completed a review of the policies relevant to fire control for the Shire. This review highlighted that a number of key policies did not exist and those that did, needed significant amendment. Upon review of the existing policy and development of the new policies, the ESO sought feedback from the relevant executive staff of the Shire and disseminated the documents to members of the Bush Fire Advisory Committee (BFAC). All feedback received was considered prior to the policies being presented to Council.

The policy submitted to Council for review is:

- Policy 4.2 – Bush Fire Control (renamed Harvest and Vehicle Movement Bans)

The new policies proposed for addition to the Policy Manual are:

- Policy 4.3 – Use of Shire Equipment and Resources for Firefighting Purposes;
- Policy 4.4 – Hazard Reduction Burns by Bush Fire Brigades;
- Policy 4.5 – Children on the Fire Ground; and
- Policy 4.6 – Honorarium for Chief Bush Fire Control Officer and Deputy Chief Bush Fire Control Officer.

	Comment
--	---------

Policy 4.2 – Bush Fire Control (renamed Harvest and Vehicle Movement Bans)

The purpose of Policy 4.2 is to provide clear guidelines for bushfire control. Upon review, the Administration discovered the current policy is unsuitable, particularly given the recent changes to the *Work Health and Safety Act 2020*.

The amendments include more thorough guidelines for establishing the need for a Harvest and Vehicle Movement Ban, who can call a Harvest and Vehicle Movement Ban and in what circumstances, when Harvest and Vehicle Movement Bans can be lifted, and the annual blanket Harvest and Vehicle Movement Bans on Christmas Day, Boxing Day and New Year's Day.

Policy 4.3 – Use of Shire Equipment and Resources for Firefighting Purposes

The purpose of this Policy is to codify the Shire's commitment to protecting the community with the contribution of any available plant, machinery and personnel, relative to the gravity of the incident.

Policy 4.4 – Hazard Reduction Burns by Bush Fire Brigades

The purpose of this Policy is to outline the conditions under which hazard reduction burns conducted by Bush Fire Brigades may be carried out.

Policy 4.5 – Children on the Fire Ground

The purpose of this Policy is to clarify the Shire's position on allowing children under 18 years of age to carry out firefighting operations. It should be noted that the Department of Fire and Emergency Services (DFES) permits children to become operational members of the Bush Fire Service at 16 years of age.

Policy 4.6 - Honorarium for Chief Bush Fire Control Officer and Deputy Chief Bush Fire Control Officer

The purpose of this Policy is to outline the intent behind the honorarium and set the conditions of payment.

Policy Implications

Review of Policy 4.2 and proposed addition of Policies 4.3, 4.4, 4.5 and 4.6.

- Policy 4.2 – Harvest and Vehicle Movement Bans;
- Policy 4.3 - Use of Shire Equipment and Resources for Firefighting Purposes;

Legislative Requirement

For Council to consider and approve the changes in the updated Memorandum of Understanding (MoU) between Australia’s Golden Outback and Central Wheatbelt Visitor Centre and authorise the application of the Shire of Merredin Common Seal.

Background

The Australia’s Golden Outback (AGO) MoU with the Central Wheatbelt Visitor Centre (CWVC) is due to expire 1 July 2023.

Australia’s Golden Outback has had a MoU with the CWVC since 2007. It has been reviewed and renewed annually until 2017 where it was extended to a three year period and reviewed and renewed by each party prior to its expiry date or sooner as required. AGO has similar MoU’s with all their sub-regional Visitor Centres and is designed to align the goals of each party to develop and promote the AGO’s region and provide the highest possible standards of service to both the regional tourism industry and the visiting public.

Comment

The 2023-26 MoU has been reviewed by AGO and supplied with additions highlighted in Attachment 15.2A. The former Acting Deputy Chief Executive Officer (A/DCEO) for the Shire of Merredin and the Manger for the Central Wheatbelt Visitor Centre reviewed the additions/alteration with no further recommendations.

All changes within the MoU have been highlighted in Attachment 15.2A and are listed below:

1. Front Cover of MoU - The MoU period has been changed to 2023-2026.

2. Memorandum of Understanding Agreement Objective – Change of ‘Australia’s Golden Outback Visitors Centres’ to ‘Central Wheatbelt Visitor Centre’ and addition of words ‘develop’ and ‘and’.
3. Principles of Agreement – Addition of Point 8 to better reflect AGO’s Strategic Plan 2021-26 which includes developing a Tourism Destination Management Plan for the Golden Outback region in partnership with Tourism WA and regional stakeholders, as shown in the below table:

Purpose of Report

Executive Decision

Legislative Requirement

For Council to consider providing in-principle support for the signing of the Memorandum of Understanding (MoU) between the Member Councils of the Great Eastern Country Zone Western Australian Local Government Association for the provision of mutual aid during emergencies and post incident recovery.

Background

At the June 2022 meeting of the Great Eastern Country Zone (GECZ), the Shire of Mt Marshall proposed the formation of a MoU for Emergency Management Resources Sharing. The Shire of Mt Marshall cited the Wheatbelt Shackleton Fire Debrief meeting, where one of the actions was to see if Local Governments were able to share resources with regards to such things as accommodation, equipment and staff.

At the August 2022 GECZ meeting, the following resolution was passed:

8.4.5 Memorandum of Understanding - Emergency Management Resource Sharing

The Great Eastern Country Zone resolved in August 2022 to endorse a Memorandum of Understanding (MoU) for emergency management purposes:

That the Zone endorse the Memorandum of Understanding for the provision of mutual aid during emergencies and post incident recovery.

The Zone Executive Officer will arrange to distribute the MoU to each Zone Local Government for signature, and arrange for the collation of a comprehensive schedule of machinery and equipment relevant to this agreement.

Comment:

The Zone Executive requested the administration to compile a list of all machinery owned by their Local Government.

Action:

That the Zone Executive Officer arrange to distribute the MoU to each Zone Local Government for signature, and arrange for the collation of a comprehensive schedule of machinery and equipment relevant to this agreement.

The MoU for the provision of mutual aid during emergencies and post incident recovery has been drafted and distributed to Member Councils on 16 May 2023, requesting consideration and endorsement by Councils by 1 June 2023.

Comment

Although a number of local governments have resource sharing agreements in place, they vary across the GECZ. WALGA was asked to prepare a suitable template to ensure all local governments in the GECZ were aligned with the proposed agreement and it met all required outcomes.

Given the timeframe, the approval in-principle of the agreement is sought, with the ability to make any minor adjustments, if necessary, prior to the application of the common seal.

For Council to consider the attendance of Councillors as delegates at the Sustainable Economic Growth for Regional Australia (SEGRA) Conference being held Wednesday 26 July 2023 to Thursday 27 July 2023 in Toowoomba, Queensland.

Background

The 2023 Sustainable Economic Growth for Regional Australia (SEGRA) Conference will be held at the Empire Theatres in Toowoomba, QLD on Wednesday, 26 July to Thursday, 27 July 2023.

SEGRA is an annual conference that aims to assist regional, rural and remote Australia to source and identify the techniques, skills and issues they need to address which will help achieve successful economic growth and development.

SEGRA acts to provide end to end value to regional Australia using a systems approach to:

- Raise the profile of regions as essential parts of Australia's national outlook
- Empower regions to be responsible for their own destinies
- Identify ideas, regional issues and opportunities
- Influence policy by encouraging evidence based responses and supporting practice based research and projects
- Promote regional connectivity

The current policy requires a report to be submitted to Council for Councillors to undertake interstate travel on behalf of the Shire. The policy also recommends a limit of two Councillors travel to each requested conference, unless resolved by Council.

Comment

Cr Renee Manning has expressed an interest in attending the conference, which will be held in Queensland from 26 July to 27 July 2023. There is currently an early-bird discount available on tickets which expires on 30 June.

Other Councillors have also previously expressed an interest in attending.

There is a budget allocated for Councillor training and expenses (Members – Training and Development; 2040104), and travel (Members – Travel and Accommodation; 2040109) which will meet the costs associated with sending up to two Councillor delegates, as per the policy recommendation. Should Council wish to send additional attendees, the associated costs could be met within the available budget, depending on the number of extra representatives that may be supported.

In terms of the value of the conference, the SEGRA goals are well aligned to the goals of the Shire of Merredin as a regional hub, and to addressing the challenges of economic development in the regions.

Policy Implications

Under the current policy (1.20 – Councillor Training and Professional Development Policy), should Councillors wish to attend an interstate conference, a Councillor is required to submit a request to the Chief Executive Officer (CEO), and a Council report will be prepared to consider the request.

Additionally, unless resolved by Council, a maximum of two Councillor delegates should attend any interstate event.
