12.1 Proposed Advertising Signage – Commercial Hotel 62 Barrack Street Merredin

Purpose of Report

Executive Decision

Legislative Requirement

To recommend to Council that it grants development (planning) approval for proposed advertising signage to be placed on the side of the existing awning (verandah) forming part of the Commercial Hotel, located at 62 Barrack Street, Merredin.

Background

The Shire of Merredin has received an application for development (planning) approval from the new owners of the Commercial Hotel, for the placement of advertising signage to be located on the side of the existing awning (verandah) forming part of the Commercial Hotel, located at 62 Barrack Street, Merredin.

The proposed advertising signage requires development (planning) approval from the Shire of Merredin.

Whilst the proposed development is incidental to an existing approved use and could be approved at the officer level under delegation from the Shire of Merredin Council, this matter is being referred to Council for its consideration together with the officer's report in response

to concerns stemming from the recent repainting of a portion of the exterior of the Commercial Hotel, and the heritage value of the building.

Comment

Statutory Requirements

The Shire of Merredin Local Planning Scheme No 6 (LPS), which consists of the Deemed Provisions (*Planning and Development – Local Planning Schemes Regulations 2015*), the Scheme Text and Scheme Maps as well as the Shire of Merredin Local Planning Policies stipulates that advertising devices require development (planning) approval from the relevant planning authority, unless exempted from this requirement by the LPS.

Schedule Five of the LPS – Exempted Advertisements states that for retail premises exempted signs are;

“All advertisements affixed to the building below the top of the awning, or in the absence of the awning, below the line measured at 5 metres from the ground floor level of the building subject to compliance with the Signs, Hoardings and Bill Posting Bylaws.”

Most of the proposed advertising sign will be located on the side of the existing awning (verandah) but a portion of the sign incorporating the logo will be above the top of the awning, and as such the proposed advertising sign does not attract an exemption under the LPS and accordingly requires development (planning) approval from the Shire of Merredin.

It should be noted that notwithstanding any heritage concerns, the proposal from a statutory perspective is consistent with the current as well as longer-term use of the area.

Heritage Considerations

The recent change to the ownership of the Commercial Hotel and subsequent intensive renovation works by the new management and the associated repainting of a portion of the exterior follows a period of disuse of the Commercial Hotel.

Works associated with the repainting of the exterior have resulted in some community concern with respect to potential impacts on the Heritage Value of the Commercial Hotel and the adjacent street scape along Barrack Street.

It should be noted that whilst the Commercial Hotel is incorporated into the Shire of Merredin Municipal Heritage Inventory (MHI), the MHI does not offer any statutory protections over the Commercial Hotel with respect to Heritage related considerations.

The Shire of Merredin Council at its Ordinary Council Meeting held on 28 June 2022, resolved to adopt a Draft Shire of Merredin Local Heritage Survey 2022, and notify owners and occupiers of premises listed in the Shire of Merredin Heritage List of the listing, inviting each owner and occupier to make submissions on the proposal in accordance with Schedule 2 Part 3 Clause 8 of the *Planning and Development (Local Planning Schemes) Regulations 2015*.

The Shire of Merredin is currently in the process of giving the required notice and seeking submissions. Once this has been finalised, the Council has considered the received submissions and adopted the finalised Shire of Merredin Heritage List, the Heritage List will formally be advertised for public information and at that time be enforceable at law, through development control processes. One of the premises identified for inclusion in the Shire of Merredin Heritage List, is the Commercial Hotel.

The Recommendation/Conservation Strategy forming part of the MHI as it pertains to the Commercial Hotel, states as follows;

“Recognise and encourage protection through Town Planning Scheme. Photographically document prior to any modifications. Make owners aware of the heritage value of the building and encourage restoration of original front verandah to attract tourists.”

The Shire of Merredin has retained some digital photos of the original verandah signage prior to the repainting of the verandah and these will be placed on the property file as well as the Shire’s electronic records system for posterity.

The Shire’s Executive Manager Development Services (EMDS) has spoken with Ms Laura Gray, the Shire of Merredin Heritage Consultant, who has confirmed that the Shire is undertaking the correct steps in:

1. Seeking to incorporate the Commercial Hotel into the Shire of Merredin Heritage List;
2. Retaining digital photos of the original verandah signage, that date prior to the repainting of the verandah; and
3. Taking into consideration that the original verandah signage has now been removed and granting development (planning) approval for the proposed advertising signage, is likely to attract business to the Commercial Hotel and thereby contribute towards its financial viability, and accordingly offer some heritage protection for the building in the long term.

Ø Strategic Resource Plan

Compliance with the *Local Government (Administration) Regulations 1996* and to also give Council some direction regarding its management of finance over an extended period of time.

Risk Implications

The Statement of Financial Activity is presented monthly and provides a retrospective picture of the activities at the Shire. Contained within the report is information pertaining to the financial cost and delivery of strategic initiatives and key projects.

To mitigate the risk of budget over-runs or non-delivery of projects, the Chief Executive Officer (CEO) has implemented internal control measures such as regular Council and management reporting and a quarterly process to monitor financial performance against budget estimates.

Materiality reporting thresholds have been established at half the adopted Council levels, which equate to \$10,000 for operating budget line items and \$10,000 for capital items, to alert management prior to there being irreversible impacts.

It should also be noted that there is an inherent level of risk of misrepresentation of the financials through either human error or potential fraud.

The establishment of control measures through a series of efficient systems, policies and procedures, which fall under the responsibility of the CEO as laid out in the *Local Government (Financial Management Regulations) 1996* regulation 5, seek to mitigate the possibility of this occurring.

These controls are set in place to provide daily, weekly, and monthly checks to ensure that the integrity of the data provided is reasonably assured.

Financial Implications

The adoption on the Statement of Financial Activity is retrospective. Accordingly, the financial implications associated with adopting this are nil.

14.3 Annual Budget Review

<h2>Corporate Services</h2> 	
Responsible Officer:	Leah Boehme, EMCS

Legislation:	<i>Local Government Act 1995, Local Government (Financial Management) Regulations 1996</i>
File Reference:	Nil
Disclosure of Interest:	Nil
Attachments:	Attachment 14.3A – Budget Review March 2023 Attachment 14.3B – Annual Budget Review Explanatory Notes (Confidential)

Purpose of Report

Executive Decision

Legislative Requirement

The purpose of this report is to request Council endorsement for the proposed budget amendments as part of the statutory budget review (Attachment 14.3A).

An amendment to the 2022/23 Shire of Merredin Fees and Charges is also recommended for Councils consideration.

Background

Regulation 33A of the Local Government (Financial Management) Regulations 1996 states that the Council is required to conduct a review of its approved annual budget after considering the changes in its operating environment since the beginning of the financial year, with a view of forecasting the financial impacts likely to arise for the remainder of the year.

An error has been identified in the fees and charges set for 2022/23. In previous years the charge for disposal of small animals allowed for up to 10 animals to be disposed of for one set fee, this fee was inadvertently changed to a 'per item' cost in 2022/23. It is proposed to rectify this error.

Comment

Council is required to consider the submitted budget review and make a determination in relation to the outcomes and recommendations.

The review of the 2022/23 Budget has been completed. A number of variations to existing budget allocation have been identified and included in the revised budget, which can be found in Attachment 14.3A.

It should be noted that actual costs presented in this document are representative of February 2023 end of month figures.

Issues and options considered.

The budget review has comprised of:

- a review of the adopted budget and an assessment of actual results to date against that budget;
- an assessment and projection of likely results over the remainder of the financial year against the adopted budget; and
- Consideration of any issues not provided for in the adopted budget that may need to be addressed.

The review of the adopted budget has taken into account progress in the first two-thirds of the year, the likely operating environment over the remaining part of the year under prevailing economic conditions, and the most likely impact on the Council's financial position.

The focus in this review has been on ensuring that there is sufficient operational capacity to deliver the services and budget programs as set out in the adopted 2022/23 Annual Budget and to accommodate events and issues that have arisen since budget adoption.

The most significant variations between the original adopted budget and the revised budget are as follows:

Surplus Brought Forward

The actual surplus brought forward from 2021/22 has been confirmed at \$2,356,758 during the 2021/22 Audit. The figures considered during Budget Review 1 were \$3,485 higher than the actuals presented in this review.

Operating Income and Expenditure

Throughout the budget, a range of minor amendments have occurred. A comprehensive list of the main proposed changes is available in Confidential Attachment 14.3B, however, the key items of note are presented below.

- Bank interest has been received at a higher-than-expected rate, due to rises in interest over the year. We expect to receive around \$69,000 extra in interest between our municipal and reserve funds. Interest received on the reserve funds has been moved back into the appropriate reserves.
- The OLOPS – Employee Costs account 2050300 has been reduced due to the Emergency Services Officer (ESO) being on leave for the majority of the first half of the financial year. This cost will return to normal in the 2023/24 financial year.
- Money has been allocated to 2050311 and 2050330 to cover unbudgeted expenses that have occurred relating to CCTV failure and the accurate allocation of insurance expenses.
- Overall, the Bushfire Brigade (BFB) accounts have an expected overspend of around \$7,000 for the year. It should be noted that the Emergency Services Officer (ESO) has

been granted approval for the overspend by DFES and the Shire will receive funds to correct this in future financial years.

- A slight increase in income for the ESL SES – Operating Grant is due to an overspend repayment of \$8,907 from the 2021/22 year being paid to the Shire during this financial year.
- Major plumbing works required at a Shire house required a significant increase to the allocated budget for that property. This property is rented by Government Regional Officer Housing (GROH) and works were required to be immediately when reported.
- 2110586 has been increased to account for the purchase of the library photocopier. Initially this was budgeted as a capital item, but due to the actual cost being under \$5,000, it was unable to be included in capital. The money allocated in the capital funds has been moved to this GL to account for the purchase.
- 3120390 saw an increase, due to the profit on the sale of assets being higher than anticipated.

Capital Income and Expenditure

Capital income and expenditure has changed minimally and is displayed on page 8 of the Budget Review March 2023 attachment (Attachment 14.3A). The majority of changes to the capital projects that have occurred have been taken to Council for consideration over the past months. Additional changes have been made to the following lines:

- 4040130, an invoice was received for the Council Chambers IT system after the end of financial year
- A total of \$26,500 has now been allocated to the North Merredin Primary School toilet refurbishment. An increase of \$9,000 was taken to Council previously for approval, however an issue with corroded plumbing has required extra works to be planned to be undertaken urgently. These works will commence immediately if approved during budget review.
- An extra \$10,000 has been allocated to the Railway Museum platform refurbishment, due to quotes not yet being received and it being anticipated that these may be higher than initially anticipated.
- A new capital item has been included for emergency works required to Totadgin Hall Road.
- Increases have also occurred to Bullshead Road, Goldfields Road and Merredin-Narembeen Road given the changes to the construction environment.

Other Points of Note

- Overall, adjustments have also been made to the Public Works Overheads (PWO), Plant Operation Costs (POC), Administration Allocated and Depreciation lines throughout the budget to ensure appropriate and accurate reporting of organisational costs.
- The account name of 2050216 has been changed from Relief Ranger Services to Contract Ranger Services to better describe the current arrangement.
- A new account has been created for organisational OHS related costs, and both the new account and existing PWO – OHS and Toolbox Meetings account have had name

changes to 'WHS' to reflect the new terminology of the Work Health and Safety Act 2020.

- 3090201 OTH HOUSE – Rental Reimbursements has been renamed to OTH HOUSE – Shire Housing Rental Reimbursements.
- 3090301 COM HOUSE – Staff Rental Reimbursements has been renamed to COM HOUSE – Rental reimbursements to ensure that income from staff housing and the Cummings Street Units are clearly differentiated.

Fees and Charges

A review of the fees and charges set for the disposal of animals at the tip has found an error in the intention for the charges set.

In previous years the charge for disposal of small animals allowed for up to 10 animals to be disposed of for one set fee, which in 2021/22 was \$63.50. In the 2022/23 Fees and Charges, this fee was inadvertently changed to a 'per item' cost of \$64.50, meaning the disposal of 10 small animals would now cost \$645.

As this fee and charge is most commonly charged to our local veterinary service, it is recommended that as part of our annual budget review, this fee is amended to be \$64.50 for up to 10 small animals, as per the below table.

Account	Description	Unit	Charge	GST	Total (incl GST)	GST	Notes

7. INITIATES the changes to the fees and charges as per Item 4, upon completion of Item 6 of the recommendation above.

14.4 Merredin Show Complimentary Tickets

<h3>Community Services</h3> 	
Responsible Officer:	Lisa Clack, CEO
Author:	Meg Wyatt, EO
Legislation:	Nil

Purpose of Report

Executive Decision

Legislative Requirement

To meet the requirement of Policy 1.21 CEO and Councillor Attendance at Events for the acceptance of complimentary tickets, and attendance of Councillors and staff at the Merredin Show on 1 April 2023.

Background

The Merredin Show is held annually at the Merredin Regional Community & Leisure Centre (MRCLC). The Shire of Merredin (the Shire) sponsors this event and through the sponsorship receive a booth to provide the community with information about key projects, upcoming events, and on-going works. The Shire also receives complimentary tickets for Councillors and staff to attend the event.

In the past these tickets have been used for Councillors and staff that volunteer to attend the Shire booth to help provide insight and answer any questions raised by the community.

Comment

This year the Administration is requesting that a staff member and a Councillor are rostered on for each one-hour time slot, allowing two people to be at the booth at all times. The roster will be 9am-10am (for set up), 10am – 4pm (to attend the booth) and from 4pm-5pm (for pack down).

This year the Shire has received 15 complimentary tickets for attendance at the 2023 Merredin Show. The Administration proposes that Council accepts the 15 complimentary

tickets and approves the Chief Executive Officer (CEO) to allocate them to staff and Councillors working on the Shire of Merredin booth.

Policy Implications

If the CEO or Councillors were to attend this event Policy 1.21 CEO and Councillor Attendance at Events would apply.

Decisions to attend events in accordance with this policy will be made by simple majority or by the CEO in accordance with any authorisation in this policy.

In making a decision on attendance at an event, the Council will consider:

- a) who is providing the invitation or ticket to the event,
- b) the location of the event in relation to the local government (within the district or out of the district),
- c) the role of the Council member or CEO when attending the event (participant, observer, presenter) and the value of their contribution,
- d) whether the event is sponsored by the local government,
- e) the benefit of local government representation at the event,
- f) the number of invitations / tickets received, and
- g) the cost to attend the event, including the cost of the ticket (or estimated value of the event per invitation) and any other expenses such as travel and accommodation.

The CEO is authorised to decide the attendance at events for the CEO (or delegate) or Councillors when the following criteria are met:

- i. There is insufficient time between the receipt of the invitation and the next ordinary Council meeting for the matter to be considered by Council and;
- ii. The criteria listed in points a-g above have been considered and the CEO determines there is an appropriate benefit to the local government in attendance at the event.

As there is sufficient time between the receipt of the complimentary tickets and the Ordinary Council Meeting, this item has been brought to Council for a decision.
