Dear Rohan,

Re: Merredin User Groups Fees

As advised in the Shire of Merredin letter dated the 4th September 2019, the Merredin Sports Council has been directed to contact Belgravia to initiate the process of reviewing the Merredin User Group Fees. The Merredin Sports Council has formed a working party and is looking forward to meeting with you to discuss this review.

As this is the first review in which the Sports Council has been involved, initially, we would like to meet and discuss the process of this review which will take place.

In the interim, it is important to our members to maintain a clear understanding of upcoming MRCLC costs to allow them to budget for their upcoming seasons. Therefore the Sports Council requests existing user group fees remain the same throughout this process.

Please advise of a time that is suitable for you to meet with us. We look forward to working through this process with you.

Yours sincerely,
