1	<p>Supports visitor centre demolition</p> <p>Area does not need to be closed off as it will divide the town. Make more room for passing of vehicles.</p> <p>Encourage the caravans to stop in town</p> <p>Make the parking along Barrack St between Westpac and Chemist for ACROD and families with children.</p> <p>Move the motor bike parking area,</p> <p>Proposal supported</p>	<p>Noted.</p> <p>Whilst access is proposed to be removed from the rear (south) of the Visitor Centre, there are new access points proposed to ensure improved access through the town centre/parking precinct.</p> <p>Noted. There are several key design components in the Town Centre Concept Plan which will address the encouragement of passing traffic, including caravans, into the central business district.</p> <p>During the 2020/21 Public Piazza Pilot Period, there was a lot of discussion, through surveys and anecdotally, that there was an oversupply of ACROD parking bays.</p> <p>Noted for consideration of future stages of the redevelopment.</p>
2	Proposal supported	Noted.
3	<p>Supports visitor centre demolition</p> <p>Main concern is the kids having to cross Great Eastern Hwy</p>	<p>Noted.</p> <p>Noted as a key design element to be considered in the various stages of the CBD redevelopment.</p>
4	<p>Proposal supported</p> <p>Please include some lighting in the carpark outside IGA</p>	Noted.
5	<p>Proposal supported</p> <p>Fail where are the RV tourists going to park to access IGA, both Museums, coffee, and food? Plan shows only car park bays</p>	Noted – the concept design intent was to continue to encourage use of the existing RV bays along the northside of the railway however further resolution to be made during detailed design.
6	<p>Proposal supported</p> <p>Include more green space in the centre of town</p> <p>Playground location is excellent and will be more practical and better utilised</p>	Noted.
7	<p>Proposal supported</p> <p>Parklet outside of IGA be made a ACROD space</p> <p>Parklet moved up as close Westpac and wild poppy as possible</p> <p>Allowance for more rubbish bins</p>	Noted.
