

Notice of Meeting

Dear President and Councillors,

The next Ordinary Meeting of the Council of the Shire of Merredin will be held on Tuesday, 16 December 2025 in the Council Chambers, corner of King and Barrack Streets, Merredin. The format of the day will be:

1:30pm	Audit, Risk and Improvement Committee
2:00pm	Briefing Session
4:00pm	Council Meeting

CRAIG WATTS
CHIEF EXECUTIVE OFFICER
12 December 2025

DISCLAIMER

PLEASE READ THE FOLLOWING IMPORTANT DISCLAIMER BEFORE PROCEEDING:

Statements or decisions made at this meeting should not be relied or acted on by an applicant or any other person until they have received written notification from the Shire. Notice of all approvals, including planning and building approvals, will be given to applicants in writing. The Shire of Merredin expressly disclaims liability for any loss or damages suffered by a person who relies or acts on statements or decisions made at a Council or Committee meeting before receiving written notification from the Shire.

The advice and information contained herein is given by and to Council without liability or responsibility for its accuracy. Before placing any reliance on this advice or information, a written inquiry should be made to Council giving entire reasons for seeking the advice or information and how it is proposed to be used.

Disclosure of Interest:	The Author and Authorising Officer declare that they do not have any conflicts of interest in relation to this item.
Attachments:	Attachment 12.1A - Application for development approval and supporting documentation.

Purpose of Report

Executive Decision

Legislative Requirement

For Council to consider a Development Approval (DA) application for the placement of a single transportable container dwelling on Lot 26100 (59) Hines Hill North Road, Hines Hill.

Background

The Shire of Merredin has received a Development Application (DA) for the placement of a single transportable container dwelling at Lot 26100 Hines Hill North Road, Hines Hill. Lot 26100 is in three parts (see **Figure 1** – Location Plan) of 395ha, 3.3ha and 291ha, the latter being to location of the proposed dwelling.

The DA was lodged by the property owner. The proposed development is costed at \$20,000 and installation is expected to be completed within 1 day.

The proposed siting of the dwelling is near some existing infrastructure which is at least 300 metres from the nearest property boundary not owned by the applicant. In their submission, the owner advised that this infrastructure was a small flour mill, with commercial shed and storage sheds.

The proposed dwelling is located approximately 500 metres north of Hines Hill townsite. The nearest dwelling in Hines Hill townsite is located 1.3 kilometres southeast of the proposed dwelling. The proposed dwelling is unlikely to be visible or have any visual impact on the landscape due to its isolated location.

Comment

Lot 26100 Hines Hill North Road, Hines Hill is zoned 'General Farming' under the Shire of Merredin Local Planning Scheme No.6 (the Scheme). A single house development is a P (Permitted) use in General Farming zone. However, in accordance with Local Planning Scheme Policy No.1 – Moveable Buildings, the proposed single dwelling is a transportable container building and as such subject to Council's discretion.

The proposed container dwelling has a floor area of approximately 75.64m² and is proposed to be located with setbacks of more than 250 metres from Hines Hill North Road, approximately 200 metres from the northern boundary. The proponent has also advised that the distance between the existing buildings and proposed dwelling would be approximately 10 metres.

It is also noted that the design and siting of the proposed transportable dwelling should be compatible with the capability of the land and retain the rural character and amenity of the locality. The immediately adjoining properties are of a similar landscape and do not appear to have any structures or dwellings. All of these circumstances contribute to minimising any visual impact on the amenity of the surrounding area.

Consultation

Councillor/Officer Consultation

No Councillor or Officer consultation is required.

Community Consultation

No community consultation is required.

Policy Implications

Local Planning Policy 1 applies to this application.

Statutory Implications

Local Planning Scheme

Lot 26100 Hines Hill North Road, Hines Hill, is zoned as 'General Farming' in the Scheme. Assessment of the application confirms that the installation of a transportable container dwelling will comply with the provisions of the Scheme. The placement location of the proposed dwelling will meet setback requirements and not adversely affect the amenity of the locality or its rural character.

Local Planning Scheme Policy No.1 – Moveable Buildings

The proposed container dwelling is a transportable building, and as such is subject to policy requirements specified by the Shire of Merredin LPS Local Planning Scheme Policy No.1 – Moveable Buildings. The proposed transportable dwelling will be a brand-new building and will comply with requirements of the National Construction Codes (BCA) as well as objectives of Council's policy on Moveable Buildings.

Statutory Requirements – Bush Fire Attack Level

Lot 26100 Hines Hill North Road, Hines Hill is partly designated as bushfire prone, and the proposed transportable dwelling is in the designated bushfire prone area and as such required a Bush Fire Attack Level (BAL) assessment to be undertaken. The BAL assessment carried out by Wheatbelt BAL Assessments determined the Bush Fire Attack Level to be BAL – 19, thus allowing the placement of the transportable dwelling on site subject to the applicable building permit requirements.

Statutory Requirements – Building Act Considerations

Building work including the placement or erection of a building or incidental structure on land will be subject to building permit requirements. The builder will need to apply to the Shire of Merredin for relevant building permit to place the transportable dwelling on site at Lot 26100 Hines Hill North Road, Hines Hill.

Statutory Requirements – Health Act considerations

A dwelling house must comply with requirements specified by the *Health (Miscellaneous Provisions) Act 1911* and the Shire of Merredin Health Local Laws, including the supply of a suitable supply of potable water to the house as well as the installation of an approved onsite effluent disposal system. In this case the potable water supply will be provided through and existing on site potable water supply. Although an existing onsite effluent system is provided on site, a review will be required to confirm it can be connected to the proposed dwelling. The proposed floor plan does not show evidence of any laundering facility as required by the Shires' Health Local Law. The applicant also advised that the proposed transportable dwelling does not contain any asbestos materials.

Strategic Implications

Ø Council Plan 2025-2035

Theme: 1 Community and Culture

Strategic Objective: 1.7 Maintain the health, safety and wellbeing of our community through application of regulatory frameworks which support legislative compliance.

Priority Actions: 1.7.1 Promote responsible strategic and statutory planning to meet current and future needs.

Sustainability Implications

There is no impact on capacity, resourcing or asset management to carry out the Officer's recommendation.

Risk Implications

There is a compliance risk associated with this Item in the event that the development does not comply with provisions of the Shire of Merredin LPS Local Planning Scheme Policy No.1 – Moveable Buildings. The risk rating is considered to be Low (2), which is determined by a likelihood of Unlikely (2) and a consequence of Insignificant (1). This risk will be minimised by the adoption of the Officer's Recommendation.

Financial Implications

There are no financial implications associated with this report including within the Long-Term Financial Plan.

Voting Requirements

Simple Majority

Absolute Majority

Officer's Recommendation

That Council:

1. **GRANTS development approval for a proposed transportable container dwelling (12.192m x 6.28 x 2.515m high), to be situated on Lot 26100 Hines Hill North Road (291ha portion), Hines Hill, as outlined in Attachment 12.1A;**
2. **ADVISES the applicant of the following;**
 - a. **This development approval does not constitute a building permit. An application for a building permit must be lodged with the Shire of Merredin and be approved before any building work can commence on site;**
 - b. **The transportable dwelling must not be used for any commercial/business activities;**
 - c. **The existing potable water supply would need to be connected to the transportable dwelling;**
 - d. **A review of the onsite effluent disposal system will be required to confirm it can be connected to the proposed dwelling, or alternatively a separate onsite effluent disposal system must be installed;**
 - e. **The dwelling must be provided with a laundry compliant with the Shire's Health Local Law; and**
 - f. **Any sandwich panel material used in the construction of the transportable dwelling must be covered with appropriate cladding on all sides to retain the rural character of the area.**

Purpose of Report

☐

Executive Decision

☒

Legislative Requirement

For Council to receive the Statements of Financial Activity and Investment Report for the month of November 2025 and be advised of associated financial matters.

Background

The Statement of Financial Activity, Detailed Statements, Capital Works Progress and Investment Report are attached for Council's information.

Comment

Statement of Financial Activity

Regulation 34 of the *Local Government (Financial Management) Regulations 1996* requires the Shire to prepare a monthly statement of financial activity for consideration by Council within 2 months after the end of the month of the report. These reports are included at Attachments 14.1A to D inclusive.

It should be noted that fixed asset reconciliations are delayed annually until the sign off of the Annual Financial Statement by the Office of the Auditor General. The Finance Team have commenced asset processes since the sign off of the Annual Financial Statement and completed calculation of depreciation for July, August and September. It is hoped this will be up to date by the January Ordinary Council Meeting.

Consultation

Councillor/Officer Consultation

No Councillor or Officer consultation is required.

Community Consultation

No community consultation is required.

Policy Implications

There are no policy implications.

Statutory Implications

As outlined in the *Local Government Act 1995* and the *Local Government (Financial Management) Regulations 1996*.

Strategic Implications

Ø Council Plan 2025-2035

Theme: 4 Communication and Leadership

Strategic Objective: 4.8 Financial Management

Priorities Actions: 4.8.1 Maintain strong fiscal and financial management of Council's budget

Sustainability Implications

Ø Strategic Resource Plan

There is no impact on capacity, resourcing or asset management to carry out the Officer's recommendation.

Risk Implications

The Statement of Financial Activity is presented monthly and provides a retrospective picture of the activities at the Shire. Contained within the report is information pertaining to the financial cost and delivery of strategic initiatives and key projects.

To mitigate the risk of budget over-runs or non-delivery of projects, the Chief Executive Officer (CEO) has implemented internal control measures such as regular Council and management reporting and a quarterly process to monitor financial performance against budget estimates.

Materiality reporting thresholds have been established at 10% or \$10,000 whichever is greater, for operating and capital, to alert management prior to there being irreversible impacts.

It should also be noted that there is an inherent level of risk of misrepresentation of the financials through either human error or potential fraud.

The establishment of control measures through a series of efficient systems, policies and procedures, which fall under the responsibility of the CEO as laid out in the *Local Government (Financial Management Regulations) 1996* regulation 5, seek to mitigate the possibility of this occurring.

These controls are set in place to provide daily, weekly, and monthly checks to ensure that the integrity of the data provided is reasonably assured.

There is a compliance risk associated with this Item as the Shire would be contravening the *Local Government Act 1995* and *Local Government (Financial Management) Regulations 1996* if this Item was not presented to Council. The risk rating is considered to be Low (4), which is determined by a likelihood of Unlikely (2) and a consequence of Minor (2). This risk will be eliminated by the adoption of the Officer's Recommendation.

Financial Implications

The adoption of the Statements of Financial Activity is retrospective. Accordingly, the financial implications associated with adopting this are nil.

Voting Requirements

☐

Simple Majority

☒

Absolute Majority

Officer's Recommendation

That Council RECEIVE the Statements of Financial Activity and Investment Report for the period ending 30 November 2025 in accordance with Regulation 34 of the Local Government (Financial Management) Regulations 1996.

Purpose of Report

Executive Decision

Legislative Requirement

For Council to consider revised policies 3.5 Investment Policy, 3.23 Asset Management Policy and 3.24 Risk Management Policy.

Background

Shire policies should be reviewed regularly to ensure their accuracy and relevance. Three (3) policies have been reviewed and are presented to Council for adoption.

Comment

An overview of each policies changes is detailed below:

Policy 3.5 Investment Policy

This policy has not been reviewed since 2014 and was highlighted as needing review during the Financial Management Review in 2023. Unfortunately, due to competing priorities and staff shortages, this has been delayed until now. The adoption of the updated policy will

remove one outstanding item from the Risk and Regulation quarterly review that is presented to the Audit, Risk and Improvement Committee.

Main changes to the policy include:

- Policy Scope, Legislative Requirements, Key Policy Definitions, Roles and Responsibilities and Monitor and Review sections included to match current policy template
- Formatting and numbering changes to match current Shire template
- Typo in year of Banking Act publication corrected from 1995 to 1959
- Listed banks updated and link to APRA website with current authorised institutions added
- Change from 6 months to 12 months term duration requiring Council approval, allowing CEO to sign off on investments of up to 12 months. This allows greater flexibility with term deposits
- Minor wording updates throughout

Policy 3.23 Asset Management Policy

This policy was last reviewed in June 2023 and is due for its biannual review.

Main changes to the policy include:

- Providing further clarity as to the policy scope
- Focus on responsible asset management including impacts on finances, operational capabilities and resourcing, including whole of lifecycle costing
- Consideration of social, economic and environmental changes
- Developing a corporate culture around asset management
- Undertaking regular inspection which is used as part of the asset management process to ensure agreed service levels are maintained and to identify asset renewal priorities

Policy 3.24 Risk Management Policy

This policy was last reviewed in 2022 and was due for review in December 2024. Unfortunately, due to competing priorities and staff shortages, this has been delayed until now.

Main changes to the policy include:

- Policy Scope, Legislative Requirements, Key Policy Definitions, Roles and Responsibilities and Monitor and Review sections included to match current policy template
- Formatting and numbering changes to match current Shire template
- Key policy definitions moved to Section 5, as per current template
- The Monitor and Review section has been updated to reflect that regular reviews are presented to the Audit, Risk and Improvement Committee
- Review timeframe has been updated from annually to biennially, or if a change is required

- Colour scheme in Appendix documents varied to match current branding

There have been no changes to the wording of the Shire's Risk Assessment and Acceptance Criteria, Measures of Likelihood, Risk Matrix, Risk Assessment Criteria and Existing Controls Ratings.

Consultation

Councillor/Officer Consultation

The Chief Executive Officer and Executive Manager Corporate Services reviewed these policies collaboratively.

Community Consultation

No community consultation is required.

Policy Implications

The following policies apply:

- 3.5 – Investment Policy
- 3.23 – Asset Management Policy
- 3.24 – Risk Management Policy

Statutory Implications

As outlined in the *Local Government Act 1995*, *Local Government (Financial Management) Regulations 1996* and *Local Government (Audit) Regulations 1996*.

Strategic Implications

Ø Council Plan 2025-2035

Theme: 4 Communication and Leadership

Strategic Objective: 4.2 Provide accountable leadership, transparent decision making and good governance.

4.8 Financial Management

Priorities Actions: 4.2.1 Support the Shire President and Councillors by working in partnership with the Executive to deliver leadership and oversight of the Shire, providing advice, information and guidance to support sound, informed decision making.

4.8.1 Maintain strong fiscal and financial management of Council's budget

Sustainability Implications

Ø Strategic Resource Plan

There is no impact on capacity, resourcing or asset management to carry out the Officer's recommendation as the proposed changes are within the Shire's available resources.

Risk Implications

There is a compliance risk associated with this item. The risk rating is considered to be moderate (6), which is determined by a likelihood of possible (3) and a consequence of minor (2). This risk will be eliminated by the adoption of the Officer's Recommendation.

Financial Implications

There are no financial implications associated with this report including within the Long-Term Financial Plan.
