

Complete the form below to register your interest in adopting an animal. Your application will be assessed for suitability. Wait times for animals may vary and completion of this form does not guarantee adoption of an animal.

As part of the approval process we may request the following:

1. Written confirmation from land owner approving the keeping of pets at the property.
2. Home/yard inspection to assess suitability.

If your application is successful you will be required to:

1. Register the animal immediately (registrations completed and paid at the Shire Administration Office).
2. Book an appointment with vet to microchip the animal (appointment must be within 7 days of registration).
3. While not compulsory, it is recommended that you have the animal sterilised.
